SFX:

Clock ticking...Last Hour
Chime...ticking...

*This is...**The Last Hour***
Episode #2
"Comfort One Another"
April 27, 2024

God is real. The **Bible** is true. And **Jesus Christ** died for you. Do you know **Jesus**, personally, as your **Lord & Savior**? I hope you do, for we're in the *last minutes* of ***The Last Hour*** of the ***Last Day***, and **Jesus** is coming, soon! Are you ready?

Welcome to ***Enoch Was Not***. I'm *Brother Scott*. Let us pray:

“Dear Heavenly Father, thank You for Your many blessings, Lord, especially salvation through the blood of Jesus Christ, your Son and our Savior. Thank you, Lord, for your comfort, especially in these Last Days when the world is darkening, wickedness is rising, and the love of man is growing cold.

No matter what happens, Heavenly Father, we know we are safely held in Your Hands. Jesus is the Prince of Peace and once we believe in Him and receive the gift of Your Holy Spirit, we can know and feel the peace that passeth all understanding. Peace that

is not of this world.

Lord, I pray for the Lost, always, that they might turn away from the wickedness of this world and seek You. That they would believe in Jesus and be saved. And once saved, they will be filled with your Holy Spirit and taste that Heavenly Peace, Joy, and Love that only You can provide.

Forgive us, Father, and be merciful. Thank you for your patience and allowing me to live long enough that I could be saved. Because of You and your promise of comfort in Christ Jesus, I know that He will never leave me as He walks with me to the very end. Whether I live or die, my eternal soul is resting in Your hands.

Thank you, Lord. Help us to pray without ceasing. Help us to endure and Share the Gospel to all who would receive Eternal Life in Heaven. Help us make disciples and win souls for your Eternal Kingdom. Help us to occupy and watch till Jesus comes to take your children Home. We ask all these things in the precious and Holy Name of Jesus Christ. Amen."

And while I, a humble Watchman on the Wall who sees the dark, turbulent clouds upon the horizon, I assure you that I am filled with Peace, Joy, and Love through the Holy Spirit. This has nothing to do with me or my abilities as a man. I am but a wretched sinner saved by Grace through Faith in Jesus Christ.

Yet, though I am at peace within, I see the turmoil all around that is causing many to panic and freak out, lash out, and become violent against each other, and this demonic disturbance will only increase, so I pray that you, too, may know the Peace that only comes through knowing Jesus, personally. You must believe in Jesus to be saved.

In **1 John 2:18**, it reads:

Children, it is the last hour, and as you have heard that antichrist is coming, so now many antichrists have come. Therefore we know that it is the last hour.

2 Peter 3:3-4 it says:

Know this first of all, that in the last days mockers will come with their mocking, following after their own lusts, and saying, "Where is the promise of His coming? For ever since the fathers fell asleep, all continues just as it was from the beginning of creation."

2 Timothy 3:1-5 it reads:

1 *But know this, that in the last days perilous times will come:*

2 *For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,*

3 *unloving, unforgiving, slanderers, without self-control, brutal, despisers of good,*

4 *traitors, headstrong, haughty, lovers of pleasure rather than lovers of God,*

5 *having a form of godliness but denying its power. And from such people turn away!*

Does this not resemble the world we're living in, today? Look around. Listen. Are you paying attention? There is an answer and a way out of all this chaos, this devolving demonic destruction, this wicked winding down of a world gone mad. His name is Jesus and all you need to do is admit you are lost and believe in Him to be

saved out of the wrath of God to come upon the Earth in the little remaining time left for mankind before the judgment.

Now, as I go forward in future episodes of my ***Enoch Was Not Podcast***, I'll not be going as in depth on the basic tenets of our Christian Faith. There comes a time when you must have the basics down, then move on. Grow in your understanding. Learn. I realize that repetition can be very good for beginning believers, but rather than me, continually, repeating myself, I suggest you go back and listen to the first few episodes that began this whole project.

I don't intend to do hundreds of Podcast episodes, either. I'm not trying to make a dollar, here. I'm not earning an Earthly living by this work. It's about quality, not quantity. Quality of information, if not production value. However, out of my love for the Lord and willingness to obey His commandment to Share the Gospel, I am striving to occupy till He returns or I pass from this world in death. Since I love the lost, I strive to tell them about Jesus. Are you lost? Though I'm not required to convince you, I love you, so if I can convince you that God is real, the Bible is true, and Jesus Christ died for you so that you might be saved, if you believe in Him, then of course, I would love to do so. For your soul's benefit, not

mine. I know where I am going, and my job is just to point to the sign that reads "JESUS - Savior of All Mankind."

I've said before that all you must know and believe about Jesus can be said in under 60 seconds. It's up to you to submit and seek Him, the Son of God, to the degree you require to come to a full faith in Him. You must believe in Jesus to be saved. And you must be saved before you die. Why? Dying without Christ as your Savior means your soul will spend Eternity in Hell. Likewise, if you're not saved before the Rapture of the church, then you'll enter into the Great Tribulation, which is 7 years of Hell on Earth and I would not wish it upon anyone. Don't wait. Escape the Hour of the Wrath of

God to come by believing in Him, now.

Now, while all the talk of the Hour of God's Wrath upon the Earth may seem bleak, dark, doomy and gloomy, there is a bright light at the end of the tunnel, if you believe in Jesus, for He is the Light of the World. He's the way out. Jesus is the Way, the Truth, and the Life. If you do not believe in Jesus, then that bright light at the end of the tunnel is an oncoming Apocalypse Train and it will slam into the whole world, soon.

Believe in Jesus and you shall escape the Wrath of God, for Jesus took all our punishment upon Himself at the cross. We who are sinners and undeserving, even at the time of His

death upon the cross, can still be forgiven all of our wicked sinful transgressions against God, if we'll only humble our hearts before Him and believe in His Son, Jesus Christ, who is faithful and true. Only Jesus is perfect and fully obedient to our Father in Heaven.

Most of the 8 billion souls on the Earth do not know Jesus as their Lord & Savior. They are proud and stubborn and think the Bible is a silly book of fairy tales and myths. They couldn't be more wrong. We who believe in Jesus can be perfectly calm and secure in His peace and comfort through the Holy Spirit who dwells within us.

I'm not going to apologize for being at peace with what is to come, though I truly love each and every soul made in the image of God, who could and would be my Brother or Sister in Christ, if they would only believe in Jesus. I point you to Jesus and the peace and comfort only He can provide, but if you refuse to listen and take heed of God's words, then that will lead to your eternal separation from God, which should terrify you. I'm not trying to scare you, but simply warn you that your rejection of Jesus has very serious consequences.

Believing that Jesus is the Son of God who died for you also has very serious consequences, but they're all amazingly wonderful. Listen to what

Paul writes to the body of believers in Jesus in...

1 Thessalonians 4:13-18

13 *But I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope.*

14 *For if we believe that Jesus died and rose again, even so God will bring with Him those who **sleep** in Jesus.*

["Sleep," here, refers to those who believed in Jesus before they died. "Sleep" is a Jewish idiom for the mortal death of the flesh, though the spirit is eternal.]

15 *For this we say to you by the word*

of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep.

16 For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first.

17 Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord.

18 Therefore comfort one another with these words.

This passage is all about the Rapture of all souls who believe in Jesus who have died and their bodies “sleep” in the grave, though their souls have gone to be with the Lord in Heaven, as well as we who are alive in Christ when He appears in the air above the Earth.

At the Rapture all our mortal bodies of flesh will each be transformed into a glorified, eternal body and we shall be snatched off the Earth and taken to Heaven to be with the Lord, forever.

The Rapture is real and a Pre-Tribulation Rapture is all I read, see, and comprehend in the Bible’s several scripture passages that support as witnesses to this mystery revealed by

both Jesus and the Apostle Paul. Many believers in Christ divide over the interpretation of these Holy Scriptures devoted to the “snatching away” of the Bride of Christ; the true believers. I love you my Brothers & Sisters in Christ, but I cannot be persuaded to believe other than what I’ve read, studied, prayed about, and listened closely to the Holy Spirit for confirmation to this interpretation of the words concerning the rescue of all true believers. The Rapture of the church is definitely in Scripture showing a “snatching away” or “catching up” of all true believers in Jesus prior to the revealing of the Antichrist, which occurs at the beginning of the 70th Week of Daniel’s prophecy about Jacob’s Trouble. The

Great Tribulation. This means with all the many signs of prophecies being fulfilled, here and now, that the dark clouds of the End Times are no longer distant but looming over the horizon just before the tempest slams into a sleeping and unrepentant world.

In the ***Gospel of John 14:1-3***, Jesus says to **His** disciples:

14 *"Let not your heart be troubled; you believe in **God**, believe also in **Me**.*

2 *In **My Father's** house are many mansions; if it were not so, **I** would have told you. **I** go to prepare a place for you.*

3 *And if **I** go and prepare a place for you, **I** will come again and receive you to **Myself**; that where **I** am, there you may be also."*

And in **1 John 3:2**, the **Apostle John** writes:

2 *Beloved, now we are children of **God**; and it has not yet been revealed what we shall be, but we know that when **He** is revealed, we shall be like **Him**, for we shall see **Him** as **He** is.*

In **1 Corinthians 15:50-58** the **Apostle Paul** writes:

50 *Now this I say, brethren, that flesh and blood cannot inherit the **Kingdom of God**; nor does corruption*

inherit incorruption.

51 *Behold, I tell you a **mystery**: We shall not all sleep, but we shall all be changed—*

52 *in a moment, in the **twinkling of an eye**, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed.*

53 *For this corruptible must put on incorruption, and this mortal must put on immortality.*

Now, a more in-depth study and proof of the Rapture can easily be made, but that's not my intent, right now. I believe that based on good

interpretation of the Holy Scriptures, including several corroborating passages, the Rapture is real and imminent. It could happen at any moment, now, or within a very few years, at most, in my opinion, and the world will suddenly see millions of people just disappear...or float up into the sky. I can't decide. Personally, I'd make it slow and very profound.

God, are you listening? Thy will be done, Heavenly Father, but if I may suggest that a slow ascension as portrayed by Jesus when He rose up through the clouds into Heaven, His rapture, would make this wicked world wonder and realize that, obviously, those crazy Christians knew something that most don't. What a weird, wild,

world-wide experience the Rapture will be for witnessing to those left behind that God is real. The Bible is true. And that Jesus just came and took away all of His true believers, exactly as He foretold.

If the Good Lord tarries and He and my health allow, then over the weeks and months ahead, I shall provide further episodes regarding this and other Bible prophecies from the Books of Ezekiel, Daniel, and Revelation. All of the Bible is amazing, and prophecy comprises nearly a third of it. The Books I mentioned as well as many others have very significant prophecies about these Last Days. Due to my love for the Lost and Unbelieving souls, here on Earth, I

want to be accurate, timely, determined, and diligent in my sharing of what I believe is the truth. I'll gladly admit I was wrong, if and as needed. Please pray for me, as I will pray for you. All Glory goes to God.

Besides, what I intend to share is nothing new. On my Enoch Was Not website, I have a long list of Resources that include many solid Bible scholars, pastors, teachers, and prophecy experts who do a far better job than me. I'm just pointing to them as I point up and to the Lord, saying "Are you ready? Are you prepared to meet your Maker?"

For those of you who think "Uh-oh, here's another Christian Little claiming

the Sky is Falling!”, then I say it’s only amusing and annoying if it truly isn’t falling, but I wouldn’t be so quick to laugh, just yet. Of course, the Bible predicted thousands of years ago that many, in this end of days, will scoff at the coming of Christ, while they mock and jeer at all things Biblical.

Followers of Christ are no more popular, today, than in the barbaric days of Rome when our ancestors were fed to the lions in the Colosseum. Even today, believers in Christ Jesus are being tortured and slaughtered all over the world for their faith. More torture and persecution is coming. I pray we are removed before it becomes too great, but there is no guarantee, for the wrath of

Satan and of evil men can occur at any time. We've seen that happen, frequently and horrifically, throughout history. Just look and listen to the madness, today, that is growing anti-semitism from radical mobs who are looking more and more like the Nazis of the 1930's era. Hitler may be dead, but the one who was his puppet master, Satan, is still alive and angry knowing his time is running out. Satan hates anyone who loves Jesus, or God.

Nowhere in the Bible does it say that Followers of Christ will have an easy road or life. In fact, it states the opposite. Jesus says they hated Him, first, and they'll also hate us. Think deeply on this the next time you may

feel that Christians are just making up stuff. Why would anyone in their right mind make up such horrific persecutions to be endured and ending in imprisonment, torture, and execution just so we can say we belong to some exclusive group? Exactly. We wouldn't. We don't. We haven't. We won't. We believe in Jesus because He lives. He's real. It's all true. Period. God is real. The Bible is true. And Jesus is the only way to Heaven. Believe in Jesus and be saved.

October 7th in Israel is just one of many holocausts against the Jews, since they were chosen by God to represent Him here on Earth, and there will be more violence, sadly,

against Christians, as well, but the end of God's human story promises all the reasons to endure, occupy, stand strong in our faith in Jesus, and to look forward to the promise of our inheritance with Him. Anything and everything that comes against us, here, will amount to nothing in the very near future when we spend Eternity with our Lord & Savior in Heaven with the Father. All of this mortal pain and suffering shall be no more. No more sickness, no more sorrow, no more sin and separation from God.

The horrific attack in Russia in March of this year by ISIS against the Moscow concert hall full of innocent people, including Christians, who were

one of the main targets as claimed by the leaders of the terrorist group, is only a portent of things to come. Persecution against Christians will rise. Satan hates the Jews, of course, but he hates all humans and those, especially, who believe in Jesus.

Satan knows Jesus is the Son of God, but he refuses to obey the Lord. He does not humble himself before God. He wants to rule and reign, so God is going to give this sad little creature his 15 minutes of fame. God's Will is Sovereign. A single sparrow does not fall from the sky, lest God allows it. So, God will allow Satan rule and reign for a moment. Satan will attempt to annihilate the Jews as he's always done, and wipe out mankind,

especially those who won't bow down to him and take the number of the Beast.

But God's Will shall prevail. He promised to protect His people and rule upon the throne of David for a thousand years and beyond. The time that is coming upon the Earth and all who dwell here, especially those who have rejected God, refused to believe in and bow to Jesus, and are lovers of themselves and all that is not of the light, will have 7 very brief and barbaric years where God pulls His hand of Grace back and gives the seed of Satan what they think they want. Be careful what you wish for...you just might get it. A world without God's love, mercy, and grace showering you.

Instead, His wrath will fall upon the whole of the Earth before His final judgment sends all unbelievers to the Lake of Fire, forever.

Little do they realize just how much God's Grace provides for them. Like the good father who allows his small child to climb up into his lap and slap him in the face when he's angry at Daddy because Daddy said "No, you may not have a cookie, it will ruin your dinner." An undisciplined child is an unloved child. An unruly, ill-behaved child is a child of chaos. A chaotic child who truly understands what he is doing and loves to be wicked is a child that, by his own choosing, will be sent to his room, forever, as punishment for disobeying

his good father. It is a fiery room of weeping, wailing, and gnashing of teeth. But nowhere in that room will there be even one soul that does not fully know who is the One & Only True King of kings and Lord of Lords. They will dwell in that fiery room, forever, having only themselves to blame. They, like Satan, will know who is the rightful ruler, Eternal Glory, Righteous Judge, and Heavenly Father, even when they still kick and scream and refuse to obey like the selfish spoiled brats they truly are.

Sadly, there are millions and billions of misbehaving misfits in this world. They are of their Father the Devil who was a thief and a murderer from the beginning. Satan is the Father of Lies.

He seeks to steal, kill, and destroy, always. And he hates you. Every last one of you. Satan hates humans because God made us in His image and gives us a place above the angels, though it may not look like it, just now, but because of the death of Jesus upon the cross, His work is done and Satan is defeated. He's a dead man walking...for just a little bit longer.

You have a choice to make and the time to choose is running out. In fact, the time to choose is, always, today, for Today is the Day of Salvation, since you do not know if you'll wake up, tomorrow. God wants you to choose Life. Choose Him and live with Him, forever, in Paradise. Choose your own

selfish desires, and God will not force you to be with Him, but what you may not realize is that since God is all that's good in this world and since He Created all things, then when He removes Himself from your presence, you'll be left in Eternal Darkness where the flame is never quenched and the worm never dies. You will wish you could die, but cannot, for God made your soul to be eternal. There are consequences to all actions. You cannot sin and disobey God without paying the price, which is very steep. He truly knows what is best for you.

How could He not. He made you. He made everything. He wrote the Owner's Manual. He can repair you.

He will fix you, but you must come to Him. He will save you, but you must humble yourself before Him. Simply, bow your heart and recognize that you're a sinner, and He is the Savior. You are drowning in darkness and sin, and He can throw you a life line. Choose life. Choose Jesus. Do it, now, before I finish this sentence, otherwise, your sentence could be eternal life in Hell, period. That is not life at all.

The Book of Ezekiel in the Bible portrays a great war coming upon Israel. It's going to happen, soon. All of the pieces and players are already in place. All the nations involved are already in alliance, today, or will be, soon, and they have never been in

alliance, before, but Bible prophecy foretold of Russia, Iran (ancient Persia), Turkey (Togarmah), Libya (Put), and Sudan (Cush) from the Table of Nations in the Book of Genesis.

When I say "soon," I mean that I believe it is within a very few years. How many is very few? Within 2 – 3 years, but I really feel that it will be sooner. Yes, I could be wrong. I'm not selling a book or trying to lead some movement, but I only want you to take pause and read the Bible. You'll start to recognize patterns, once you're filled with the Holy Spirit who is the true author of all the scriptures. If you do not believe in God or Jesus, then much of the Bible will remain a

mystery to you without the Holy Spirit's insight.

This is because Satan knows how to read. What does that mean? Satan is the enemy of God who wants to destroy all of mankind, especially the Jews. Satan knows God is real and that God has a plan to throw Satan into everlasting darkness. I'm pretty sure that Satan would prefer this not to happen. Just a hunch. Satan can read, so God keeps many things a mystery so even we, His children, must seek Him and the answer to the mystery, just so Satan won't readily understand and try to circumvent God's plan. Satan cannot succeed, but he can, certainly, cause more souls to stumble, fall, and go to Hell.

Satan is one of the most brilliant creatures that God ever made. Sadly, Satan was found to have sin within him. Sin means separation from God.

Just as the archery term “sin” meant you missed your mark, or you sinned, then when you are not obedient to God and doing His will for your life, then you’ve missed the mark. You’re not living up to your full potential, and you certainly do not love the Lord with all your heart, mind, soul, and strength. For if you loved God, properly, then you would obey Him. You would never want to displease Him. You would never want to knowingly or willingly anger Him, for He made all things and He can make or unmake every other created being,

which He is not.

God is the Creator of all things. He is not created. He is Eternal and Infinite, and I cannot fully comprehend much more than that, but I believe it to be true. I can see and sense enough about Him through His Holy Scriptures, which proves that no worldly creature's intelligence can rival the Great Mind that envisioned the universe and all it contains. God is real. This is no longer up for debate; with me, anyway. Debate amongst yourselves all you want, but leave me out of it. It is foolish and a huge waste of time. Believe and get busy Sharing the Gospel.

I've known since I was a young child

that God is real. I just refused to obey Him, properly, till later in life. Thankfully, He is patient, long-suffering, loving, and merciful. He allowed me to live long enough to wake up and see the Light of the World, Jesus Christ, as the Son of God who died for the whole world. So, I humbled my heart before Him and accepted His Free Gift of Salvation. Free to me and you, though He had to die such an ugly, torturous death on the cross to make this gift possible, which proves that nothing is truly free. Someone always has to pay the price. Jesus paid it all. All to Him we owe. Believe in Jesus and be saved.

Satan wanted what God had. Like that small child, earlier, who had to

climb into his father's lap just to slap him in the face for not giving him a cookie when the disobedient child wanted it, Satan wants what he hasn't earned and because of his very bad behavior, is not even worthy of it. Yet, the childish, ignorant, arrogant mind of Satan has been throwing a hissy-fit for nearly six thousand years. Satan wants what God has: Respect, power, and authority over everything else. Satan and all sinners want to selfishly live as they please, instead of living to please the Creator God who made them.

Of course, Satan is not a Creator, but a Destroyer. A mimicker, at best. He is not even a god. He's a powerful being, of course, for God made him

that way along with a huge host of supernatural beings known as the Heavenly host, though we call them angels, but all were created to serve God, His Will and purpose. Many of them fell with Satan because of their unwillingness to listen to and obey the Lord.

Haven't you had to work or play alongside these types of individuals in your life? There's always one of them who just can't get along with anyone unless they're calling the shots and running the show. They can't be a good team member or family member. They're too selfish. They do not play well with others. They're too busy trying to be the star of the show instead of helping the team win for

everyone's benefit.

Needy, fearful, resentful, cowardly, boastful, plus a dozen other equally ugly traits that are boring and incredibly difficult to tolerate within any good group, but the worst trait most of these so-called stars possess is Pride. A very unhealthy Pride that is not justified or worth any attention whatsoever. Still, they like to run around jutting out their chin and chest as if to command you to realize just how beautiful, talented, amazing, and worthy they are, and we all should give them the proper honor and respect their very existence entails simply because they've graced us with their presence.

Ah, Satan. You poor fool. He's a created being wanting to be worshiped like the Creator, Himself. I shake my head at Satan for the same reason I question Solomon's so-called "wisest man" title once I discovered he had 700 wives and 300 concubines. Seriously, that's stupid. One thousand women telling you what to do? Isn't one wife enough? Also, I can't consider Satan to be the most intelligent creature God ever made though the Bible says he was "full of wisdom" and "more crafty than any other beast of the field," simply because he thinks he's smarter, more powerful, and more worthy than his Creator. Jesus said the servant is never greater than the Master. Even the Son obeyed the Will of the Father,

which is why Jesus was the perfect sacrifice to atone for the sins of a wicked world.

Pride is, probably, the deadliest of the sins and the one I think God hates most. Pride is love of one's self, which could not even happen if God had not created you to begin with, but these types of proud, arrogant, boastful people think only of themselves and their contribution to the world. The whole lot of them is a bunch of self-promoting horn-tooters. They are to be pitied and prayed for, since their own minds have deceived them.

Someone who cannot see the light of truth because they've believed the lie of their own perceived brilliance is the worst kind of fool. We should love

them and pray for them, for they know not what they do. They are, simply, ignorant, but do not know it. They do not know that they do not know, which is pitiful, pathetic, and sad. I hope and pray they do not find out the hard way, when it's too late, on that Day of Jesus' Second Coming when every knee shall bow and every tongue confess that He is the King of kings and Lord of all.

Logic tells us that Eve was not the first person deceived. Rather, it was Lucifer, that bright and morning star. Full of wisdom, supposedly, and the most beautiful creature God had ever made, Lucifer deceived himself, first, by even considering he could achieve equality with God the Creator much

less lift himself higher than His Master. Lucifer marveled at his own splendor and was blinded by his own beauty so much that he wanted to be like the Most High. By definition, alone, this is forever impossible. There is only one Most High and He is God.

You cannot have two Most Highs. You cannot replace the Most High who holds all power, is all-knowing, and permeates everything, everywhere, at once. God has no equal. He has no viable challenger. Satan to God is like the tiniest quark, lepton, or moron, uh, sorry, muon...compared to the totality of existence. God is beyond time and space and matter, for He created all things. Satan is an insignificant speck of a thought; a

fleeting brain fart and legend in his own mind, but it is God's mind that is most important and, if you don't mind, Satan bores me. Pride goeth before the fall. When you only listen to and believe in what your own mind is telling you, and refuse to accept input from others, then you will deceive yourself.

Satan should bore you, too, and you should never have anything to do with him, if only for the simple fact that most people like playing on the winning team and Team Satan is goin' down. I've read the Good Book and Team Jesus wins in the end. Do you like to win? Then, let's play for Team Jesus and celebrate with Him in Heaven, someday very soon. Now,

where was I? Satan sidetracked me. Sorry. He has a bad habit of doing that. I was talking about sin, then everything just went to Hell in a hand-basket.

It's been said that the Devil is in the details, but if you can't even see his charming form in the smoke and mirrors of today's cancel culture, political turmoil, woke radicalism, pandemic pandemonium, lawlessness rising, defunding the police instead of defending them so they can protect us, attempts to take your weapons, squashing of Free Speech, reinterpreting the Constitution, fearmongering, rising anti-semitism, barbaric savagery against Jews and Christians, wars and rumors of wars,

the love of men growing cold, sexual immorality/perversion/and depravity, transgender insanity, borderless nations and illegal invasions by unwelcome immigrants, global powers in closed-door sessions deciding the who, what, where, when, why, and how of every person in the world and the degree to which they are supposed to live their lives according to the New World Order, and on and on and on...then you may be one of the zombie frogs who has already spent too much time in the boiling pot and what's left of your brain has melted. Are you one of the blind trying to lead the blind?

The Bible prophecies that speak of these Last Days and all the

wickedness that shall prevail are screaming "See, I told you so!" There's nothing new under the sun. God has always told us the End from the Beginning. Why? To prove that He is who He says He is; the One & Only True & Living God, the Most High of Israel, Almighty God, El Shaddai, the Alpha & Omega, the Beginning and the End, and so on and so forth.

God is real. The Bible is true. And Jesus Christ died for you. Jesus is God. He and the Father are One. If you've seen Jesus, then you've seen the Father. Many thousands saw Jesus. Many believed in Him. They watched Him die on the cross. They buried Him. They were amazed when His tomb was empty that Sunday

morning after His crucifixion just as He predicted when He said "Destroy this Temple, and I will raise it, again, in three days."

For you who know Jesus, personally, as your Lord & Savior, then I beg of you to Share the Gospel with those who are deaf, dumb, blind, and lost. Time is running out. If you do not know Jesus, then please humble your heart before God and accept Jesus as your Lord & Savior, today. Do not wait. If you die before you are saved, there is no second chance beyond the grave. And the grave is not your stopping point.

For it is appointed unto man to die, once, and then the judgment. Fear

not any man in this world who can kill your body. Instead, fear God who can not only kill your body, but destroy your soul. Or worse, cast it into the Lake of Fire for an eternity of torment.

But why would a loving God do that? Because He told you to choose life. He told you to believe in Jesus, if you want to have everlasting life. He pleads with mankind to listen and come to Him. Repent, now, for the Kingdom of God is at hand. Jesus is coming, soon!

God doesn't send anyone to Hell. They choose it. This isn't some sneaky wordplay of semantics. God wants no one to perish. Hell was never intended for mankind. It was

made for Satan and his fallen angels who disobeyed God and have no chance of redemption. These incredibly powerful creatures have such power, intellect, and abilities far beyond a mere human's meager gifts, but only mankind's soul can be saved through the blood of Jesus Christ.

Angels cannot be redeemed. Fallen angels do not get a second chance. You do, but only if you take it. Salvation is Free, but you must accept it, willingly. You must seek God and bow your heart before Him. Admit you're a sinner and that you need God to forgive you. Humble yourself. Only the meek shall inherit the Earth. The proud will be cast into fire.

Those souls who will not submit to God, do not deserve to live in His Glorified Presence for Eternity. You stamp your feet, hold your breath, and roll around on the ground, defiantly, expecting Him to quickly give you everything you demand like every ill-behaved child spoiled rotten on this wicked Earth. Well, God is Just and He will give you exactly what you want: An eternity apart from Him.

Be careful what you ask for. You just might get it. Wake up! No, don't go woke. Actually, wake up from your zombiefied stupor and this fantastical dream you have of being more than you are, but only accomplished as you see fit, though you possess no abilities to ensure that it happens. Your dream

will, quickly, turn into a nightmare of epic proportions where you cannot wake up and the fire won't stop burning and your screams cannot be heard, forever, by anyone but yourself.

God can and will give you everything you need and desire, according to His Will, if you would just humble yourself before Him, obey Him, and love Him with all your heart, mind, soul, and strength. He longs to give you more than you can possibly imagine.

In the weeks and months ahead, I believe we'll see the complete demise of Hamas within Gaza, and a much larger and stronger confrontation or war with Hezbollah, which will ultimately wipe them out, as well. As

Israel, divinely protected by God, continues to destroy its enemies on its immediate borders, it will also be threatened by Iran (ancient Persia) in particular as well as Russia to a far greater degree. Thus, the Ezekiel War may happen, very, very soon. While some Christians see the Ezekiel War only happening after the Rapture of the church, I think it could happen before, also. For it would make a mind-blowing impact upon the whole world as to the truth and reality of God Almighty who miraculously stops this prophesied attack on Israel by the aforementioned nations who go to Israel to seize booty as foretold in Ezekiel 38 & 39. Read it. Study it.

I'll do a more thorough study of it in a

future episode as part of a larger and more complete study of the Book of Ezekiel, but I give this preemptive warning, now, so that those paying attention will recognize just how close we are to the Rapture of the church, which will happen either before the Ezekiel War, or just after it, plus help to awaken, perhaps, those who need something Earth-shaking to get their attention as they dream, deeply, about worldly delights. If your mind is set on God, however, one cannot help but see the very Word of God leaping off the page and into every form of current media as specific actions, causes, effects, results, and the behaviors of mankind all reflect the growing evidence that God is real. The Bible is true. Please read it.

If you do not know God, believe in Him and His Son, Jesus, then you won't be filled with His Holy Spirit who can reveal all the mysterious details of God's prophecies to be fulfilled. It's not about facts, truth, or knowledge gleaned. It's about your heart. Your heart may be too hardened or blackened. You must know God, first, and when you're given the Holy Spirit to dwell within you, forever, He will help you understand the Holy Scriptures, for He is the inspiration behind all those words, stories, prophecies, and the central theme of Israel being the apple of God's eye...and why.

As Russia rallies its troops in Syria and strengthens its alliance with Iran, then

not only will Damascus become a ruinous heap, but Gog of Magog will lead this Satanic assault against Israel that will make all the wars and Middle Eastern conflicts of modern history look like a quiet beach picnic beside a soothing sea.

Even the horrific nature of the barbaric and Satanic atrocities that shocked Israel, recently, when they were surprised by Hamas, will be like a bloody nose in a street scuffle compared to what looks to be gathering and coming for the booty and plunder of Israel's bounty. When Israel is residing in seeming peace and prosperity, then the invaders will arrive on their doorstep. This could be many months from now or a few

years, but I think it will be sooner than later. The size and scope of the massive military might aligned against tiny Israel will only make God's hand in their nearly complete annihilation seem only that much more miraculous. The Ezekiel War will happen, specifically, so Israel and the entire world will know that the Lord God of Israel is the One True God. Period.

I'm not a prophet, nor some seer and predictor of future events. I know better. However, there is nothing wrong with seeing the warning signs of the times as prophesied, especially when you know the absolute success of God's track record, regarding His prophecy through the mouths of His

prophets as recorded in the Bible;
some from nearly 3,000 years ago.

Jesus wept over Jerusalem because His people did not know of His coming. When He rode into Jerusalem on that fateful, final Passover before His death on the cross, Jesus said that if they had only known of His visitation, they would not have rejected Him or desired to kill Him. If they had only welcomed Him, their Messiah, then He could have saved them. Instead, in their pride, arrogance, greed, and selfish lust for power, the Jewish leaders had Jesus crucified.

Because of the prophetic fulfillment of this very sad and gruesome act, however, Jesus' death atoned for the

sins of the whole world, and allowed the Gospel to be brought to the Gentiles, which caused it to be spread among the nations and to the four corners of the Earth, just as the Jews were scattered to the four winds because of their hardened hearts. God gave the Gospel or Good News of Salvation to the Jews, first, who rejected it, then to the Gentiles who began receiving and acting upon it. By believing in Jesus, they were saved by the millions.

Gentiles are no better than the Jews, just as Believers are no better than Unbelievers. The only difference is that we who believe in Jesus are saved and will not face judgment or the Wrath of God to come upon the face of

the Earth, but will be removed and taken to the Father's House in Heaven during the Hour of His Wrath.

Keep your eyes on Israel, always. She has always played the most prominent role in God's story. His story. History. Jerusalem is His City. His jewel. It is the center of the world. It will become an even more burdensome stone to the nations of the world, soon, and continue until Jesus returns. The wars will not stop, but only increase. And Jesus will not return until the House of Israel, collectively, cries out "Blessed is He who comes in the name of the Lord!" Baruch Ha'ba B'Shem Adonai.

More chaos, lawlessness, anger, fear,

evil, terror, barbaric savagery, and Satanic depravity will increase in the darkening days, ahead, as more so-called Christians will leave the true church that believes in Jesus. The great falling away or Apostasy will increase as the love of man grows cold. Because of Iran's Satanic hatred of the Jews, they will threaten Israel so much or attack them, directly, that it will cause Israel, most likely, to preemptively strike or retaliate by destroying Damascus, prophesied in Isaiah 17:1. It will become a ruinous heap. This has never happened in all of human history, but I think its time has come, and will happen soon. It could very well be nuclear. Only nuclear, chemical, or biological warfare could cause such destruction that

would make a location uninhabitable.

Many prophecies are left to be fulfilled. Most will occur during the Great Tribulation, which is also known as Jacob's Trouble where the focus of God's Wrath is upon those who rejected Jesus and treated the House of Israel so poorly throughout history. This Seven Year period will be the culmination of most of the remaining prophecies from God's Holy Word. There are still many, including the Rapture, that I believe will happen before the End Times that humans should dread most.

As time and my health permit, as well as whatever God allows or directs, I will do my best to share what I

understand in the weeks and months ahead. There are so many who have pointed to these things for many, many years. I do not claim to know more than them. In fact, seek God, first, but seek out these other great Bible scholars, preachers, and teachers who can tell you so much more than me. Check my Resources page for a list of all the great sources I listen to, watch and read, regularly, as I seek the truth and how I can grow closer in my walk with God. I learned much from these wonderful and faithful followers of Christ Jesus.

I am just another sign pointing to many signs who all point to God. To Jesus. To the End Times we all see, hear, sense, taste, feel, and can

almost touch before it is, suddenly, upon us like a thief in the night. Like the first raindrops that fell after Noah and his family were safely inside the Ark and God, Himself, shut the door behind them. God wants to rescue you from what is to come.

He told all of this to everyone since the Beginning of Time because He didn't, then, and doesn't, now, want anyone to perish. Please believe Him. Believe in Him. Believe me. God is real. The Bible is true. Jesus Christ died for you.

Coming up in Episode #3...

Israel's recent limited strike against Iran in retaliation for their pathetically

weak missile barrage by the IRGC only proves that the IDF knows exactly where Iran's nuclear facilities are located and that when the time comes, Israel will not miss. Bible prophecy indicates that Elam, which is the Southern area of ancient Persia, now modern day Iran, will be wiped out by a devastating blow that forces the Iranian people to scatter to the four corners of the Earth.

This is likely a nuclear strike, which will cripple the Islamic regime's ability to threaten Israel as they have for decades, now. Watch with me as these two enemies increase their rhetoric and rock-throwing till Islam is nearly wiped out in the Ezekiel War, which will make way for Israel to build

the Third Temple after all opposition on the Mount is removed.

Remember, Enoch Was Not...for God TOOK him! His faith and fellowship with God allowed him to escape the wrath of the flood. Wouldn't you like to escape the Hour of God's Wrath to come as it has been foretold for millennia? I would. I will. For He is Faithful & True. He is my Lord & Savior. And He is my ticket out of here. Jesus is my Blessed Hope. "Blessed is He who comes in the name of the Lord!"

THE LAST HOUR EPISODE CLOSE
SFX:

Clock ticking...Last Hour

Chime...ticking...

This is The Last Hour of the Last Day before the End Times that God's Holy Scriptures describe. He has warned us from the Beginning, so the End will not make us afraid.

Fear not. Seek Him and keep looking up, for the Kingdom of God is near, and Jesus is coming, soon!

I will pray for you that you make the right choice. Choose Jesus. Choose life, eternal. Till we meet, again, this side of Heaven, I ask that God bless you and be merciful towards you, always. Amen.
