***The Last Hour***

***Episode #5***

***"Deep State Demons"***

***August 10, 2024***

**God** is real. The **Bible** is true. And **Jesus Christ** died for you. Do you know **Jesus**, personally, as your **Lord & Savior**? I hope you do, for we're in the *last minutes* of ***The Last Hour*** of

the **Last Day**, and **Jesus** is coming, soon! Are you ready?

Let's read from the **Holy Scriptures; Ephesians Chapter 6, Verses 10 through 13...**

**10** ...Be strong in the **Lord** and in the power of **His** might.

**11** Put on the whole armor of **God**, that you may be able to stand against the wiles of the devil.

**12** For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

**13** *Therefore take up the whole armor of **God**, that you may be able to withstand in the evil day, and having done all, to stand.*

Welcome to ***Enoch Was Not***. I'm *Brother Scott*. Let us pray:

"Dear **Heavenly Father**, we humble our hearts before **You**, each and every day, as we strive to walk faithfully in the light, always, as your **Beloved Son, Jesus**, did. Though we fail **You**, daily, you are faithful to forgive us. Because of the great sacrifice of **Jesus Christ** upon the cross, we are covered in **His** blood to atone for our sins. **Jesus** paid it all and when **He** rose from the grave on the third day, **His** resurrection paved the way for our

sharing in the **Eternal Inheritance** you've promised **Him** and all those who believe in **Jesus** and put their complete faith and trust in **Him**. It is only by truly believing in **Jesus** and knowing **Him**, personally, as our **Lord & Savior** that we shall see **Heaven**.

And while we always pray for so many things, **Lord**, because **You** tell us to ask, knowing that we will receive all things according to **Your** will...today, instead of asking for something from **You**, we want to honor **You**, completely, and know that **You** have everything under control. **Your Sovereign Will** shall be done and **You** shall do all **Your** pleasure. So, we empty ourselves, completely, of requests for anything because **You**

already know all that we need, if we will only submit ourselves to **You** and follow **You**, faithfully, without hesitation or fear. **You** who are in us are greater than he that is in the world. **Satan** is no match for **You**.

We are grateful, **Heavenly Father**, and thank **You** for all You provide. Let us always remember your majesty, your great love for mankind, your mercy, and your grace that makes salvation possible through **Jesus Christ**, alone. For **Jesus** is the only way, the only truth, and the only life. Ultimately, **Lord**, the best praise and prayer we can offer up to **You** is **Thy Will Be Done!** Forgive us where we fail you, **Lord**. Please be merciful. We love **You** with all of our heart,

mind, soul, and strength. In **Jesus'** precious name we pray. *Amen!*

I hope you are always wearing your Armor of God. I pray that you are practicing with your Shield of Faith how to block the fiery darts of our demonic enemies. I urge you to know the Word of God, thoroughly, so you will be ready and able to wield the Holy Sword of Scripture against the powers of darkness that seek to devour and destroy us. Never forget that He who is in us is far greater than he who is in the world. Do not fear!

It does not take a prophet of the Lord God Almighty to know that something wicked this way comes. He that hath eyes to see and ears to hear can

easily observe the obvious signs of deception that permeate the American political machine and always point to the Deep State demons who are behind all this evil in these Divided States of America.

In the weeks following the assassination attempt of July 13, 2024, on Donald J. Trump, Former President #45 and current Presidential contender for his second term as #47, the slow molasses drip-drip-drip of information, disinformation, misinformation, and brazen bald-faced lies from the so-called authorities investigating this treasonous crime only screams what We the People already know: that there was a conspiracy to kill Former President

Trump because he threatens the power and control of the Deep State as much as JFK ever did during his term as the 35th President of the United States, ending on November 22, 1963, on that fateful day in Dallas, Texas. I don't care to mention the name of Trump's would-be shooter since many of these perpetrators merely seek attention and infamy from their wicked deeds. Our media needs to stop glamorizing evil and keep all of their names and faces out of the spotlight.

Regardless, the shooter, supposedly, did an internet search for details of the JFK assassination prior to his failed attempt on Trump at the Butler, Pennsylvania, rally. It seems the

shooter was, specifically, searching for the distance between the Dallas Book Depository building and JFK's limousine at Dealy Plaza when the President was ambushed. Only an amateur would seek such information as though it might be helpful in his attempted shooting of Trump. This is one of dozens of bits and drips of information that is being slow-rolled out of the investigation by FBI, United States Secret Service (USSS), or Homeland Security officials who are either criminally incompetent, intentionally treasonous, or both. These enablers are either knowingly or unwittingly aiding in the cover-up of the sinister assassination attempt of Former President Trump, which could be comical if it were an old Keystone

Cops silent film. Sadly, there is nothing funny about the failures of our FBI, Secret Service, and other alphabet soup agencies that can no longer be trusted by the American public. I don't believe anything they're saying about the Butler Farm Show location of Trump's rally as they stumble and fumble their way through the young-but-now-dead sniper's procedural plot points like an ailing Joe Biden falling up the stairs of Air Farce One.

I'm not going to go through every little piece of information to either debunk it or connect the dots to this conspiracy of incompetence, at best. Many others can and will do that. But if you cannot or will not recognize that

the wicked players behind the scenes are lying to you, the American public, and the whole world, then you are in for a very rude awakening and a lot of pain as this wicked world continues to devolve into darkness as the love of men grow cold for one another and deception increases. When the love of the truth diminishes, then eventually there will be very few who will even recognize that Up is now Down, East is now West, Good is now Evil, and you won't be able to trust your own family or friends. Sadly, many of these people are so far gone down the rabbit holes of their own ignorant misperceptions and self-deceptions that they may never find their way back to the light. At least not by their own hands.

When hearts are hardened against the truth, and when minds are closed to all but their own preconceived biases, then that old adage comes to mind: *"It's easier to fool someone than to convince him he's been fooled."* Many will say that Mark Twain quoted this truism, but there is no proof of that, which only further highlights the absurdity of misinformation flow by those who fail to thoroughly search and study while seeking the absolute truth. Most people are too quick to accept what they see and hear from all media (or Wikipedia) instead of doing a diligent and thorough deep dive on the absolute truth of something. Still, the adage *"It's easier to fool someone than to convince him he's been fooled"* is most

accurate, no matter who said it, first. In other words, it is a true statement and has been proven, repeatedly, since the beginning of time. If you don't believe me, then try to convince a non-believer that Jesus Christ is the Son of God and that believing in Jesus is the only way to be saved. Let me know how that goes. Don't bother. I know. But the truth is the truth, no matter how inconvenient, and many are called but few are chosen. I believe in Jesus Christ because He is real, true, and the only way to be saved. I would believe in Him even if everyone else on this wicked world believed the opposite. Sadly, billions of people do not believe in Jesus.

One of the greatest lies ever told was

that Satan isn't real. Gee, I wonder who started that lie? Oh, only the Father of Lies, Satan, I'm sure. He is and was a deceiver and murderer from the beginning. Lying comes so easily and naturally for all humans that even small children will, by default, blame their siblings for something they, obviously, did...so we shouldn't be shocked when all of these lying children, who are never properly taught, disciplined, or held accountable, grow up and enter politics, education, and law enforcement agencies. Sure, there are a few good people who truly strive to be honest and color within the lines, but as our world grows more wicked, we see that truth has become subjective and an individual's opinion

and preference can trump all real objective truths, which makes no sense.

Absolute truth is The truth. Opinions are irrelevant. Yet, too many argue about such things, these days, and it becomes a cacophony of craziness to try and contend with mob madness and their perceived right to rule by all those who can scream their personal truth the loudest, even when what they yell are the most egregious and obvious falsehoods that only the few remaining observers with true sight will notice, but can still cause us to step back in confusion about how to handle the hordes of these increasingly self-deluded protestors who are anything but peaceful.

Today's "normal" is: burning down property, defacing public statues or tearing them down, rioting out of control, turning over or burning police cars, beating up and killing anyone who verbally challenges their fanaticism, screaming at us till our ears bleed, and refusing to comply with law enforcement's attempts to keep the peace and protect those who fear that the whole world has gone insane. It is going there, for certain. The madness is increasing and spreading.

The only thing that will save you is believing in Jesus Christ and obeying Him. The only thing that will protect you, for eternity, is the blood of Jesus Christ. For only He is the way, the

truth, and the life, forever. Believe in Jesus, first, placing your faith and trust in the Beloved Son of the One True God, and give your heart, mind, and soul to Him. Prove that your faith and belief in Him are true by your actions. Obey Him, if you truly love Him. Follow Him. Do as He commands us to do. Be like Him. Bear good fruit.

The Loony Left, backed by the Deep State, has chosen Minnesota Governor Tim Walz for Kamala Harris' running mate as Vice President. Walz is an old White Communist in bed with the Chinese, and was responsible for letting Minneapolis burn at the hands of BLM rioters, during those infamous peaceful riots, which were anything

but. While Walz let rioters burn down the city, Kamala Harris led the nationwide chant to raise money to pay their bail and allow these lunatics to be released, immediately, back out onto the streets to continue burning businesses and homes. As flames and smoke rose over Minneapolis and rioters ran rampant around the city, Walz refused to send in the National Guard, as BLM lovers attacked cops with molotov cocktails, bricks, fireworks, and bottles filled with cement. Is this who you want in the Oval Office? Do you really think the Harris-Walz ticket will protect America?

Instead of a Border Wall, Walz wants to invest in longer ladders letting

illegal immigrants invade the U.S. to receive all the entitlements promised to our lawful citizens at our taxpayer's expense. Walz is Woke and believes D.E.I. (Diversity, Equity, & Inclusion) is the path to progress. D.E.I will only spell D-I-E for America. DIE. And, thankfully, this liberal lunacy is, finally, being rejected by American corporations waking up after losing billions to the Woke virus. Longtime advocate for LGBTQ+MOUSE, Governor Tim Walz is responsible for putting tampon machines in the Fourth through Twelfth Grade boys' bathrooms of schools across Minnesota as this Socialist radical supports gender-transition surgeries for young minors. May God have mercy upon his ignorant soul.

The Jackass Party is incredibly fearful of the coming administration of #47, the next President of the, now, Divided States of America, Donald Trump, assuming they don't steal the election, again. Why are the Democrats afraid? Because Trump disrupted, impeded, derailed, and turned back many of their evil gains made during the Obama-Biden Administration. The Left thought Hilary was going to win, but God had a different plan. God's hand is upon America, still, and His hand upon Trump says nothing about the worthiness or sanctity of either our country or Mr. Trump, and I don't mean to sound disparaging about either of them. Please understand the truth about God, though. God is

sovereign. God is Truth. God's way and God's Will are Holy. Not us. God sees and allows all governments upon this Earth. If God wants to allow a nation or king or president to do something that will bring about His sovereign purpose for mankind, then He will let the people decide for a candidate that may not be good for us, but perfect for God's plan, which is assured, for He is Holy and perfect in every way.

Remember, God allowed the wicked King Nebuchadnezzar to lay seige to Jerusalem, to tear down its walls, to demolish its Temple, to slay many thousands of Jews by the bloody swords of the Babylonian army, to scatter the terrified Jews across the

desert and far from their homeland, and to take captive the remnant Jews as well as march them 900 miles back to Babylon. So, if God can use a wicked or immoral person that does not believe in Him to still do His will, achieving His Holy purpose, which is to punish His people when necessary to get them to wake up and remember that He, alone, is the Lord God of Israel and All of Creation, then He will also allow Donald J. Trump to become President as well as Joe Biden or Kamala Harris. Do not put your faith in Donald Trump. Put your faith in our Lord & Savior Jesus Christ, which is what God says we must do, if we are to be saved. Never put your faith in mankind or human institutions, including governments, even though

they've been ordained and allowed by God.

It would be foolish to assume that God's hand is on Trump to be elected, again. Can you not see how the Deep State has quickly kicked Joe Biden to the curb, knifing him in the back, when it was obvious after the debate that the feeble-minded Biden was not going to win against Trump. It is obvious that they had planned, previously, for just such a potentiality, that they could very rapidly throw all their wicked weight behind Kamala Harris who is no more qualified to be President than Satan is qualified to be God. Cackling Kamala's only skill is mixing word salads and licking Obama's boots. I mean, Biden's

boots. The Obamas, finally, gave their glowing support to Queen Kamala, and if you count the Loony Left out, then may I remind you that they are the same Jackass Party that stole the election in 2020, so don't think they won't try, again, and possibly succeed. Fool me once, shame on you. Fool me twice, shame on me. Are you going to let the Deep State keep fooling you? Wake up, America!

Now, just to be clear, I am not a Republican. I am Independent and refuse to be affiliated with the stench emanating from both sides of the aisle. In the past, when I was younger and dumber, I voted for both parties, depending upon the perceived qualities and policies presented in the

process, and hoped I chose wisely for those politicians who would do the best job of representing me and my morals, ethics, values, principles, and desires for American superiority. I learned a long time ago that the Deep State took control of the two main parties represented by the, seemingly, opposed sides of this democratic coin toss. When you control all sides of an issue, then you will determine the “official” outcome whether you get your Candidate A or Candidate B into office. Counting votes becomes irrelevant, then, except to provide some drama for the public making them think they are actually participating in the political process. It’s been this way for many years. Don’t let the cold water smacking you

in the face, just now, keep you from hearing the truth. If your vote meant anything, then Trump should have won in 2020. Trump was a wild card and not expected to win in 2016. The Deep State thought they had it in the bag, but God stretched down his hand and the Left went completely insane in an apoplectic rage of mental anguish caused by their Happy Meal toy prize being, abruptly, pulled from their hands and given to the orange kid on the block.

Now, in the years leading up to another Presidential race with Trump overwhelmingly supported by a huge percentage of voters who still believe in our broken system, the Deep State was afraid that, perhaps, an even

larger majority of the public has awakened to the deception and depravity of the political machine's back room shenanigans, and that another close vote and supernatural intervention of the Presidential election might shift it, once again, to Team Trump. So, the Evil Ones in Washington decided to take a more conclusive approach by having Trump assassinated. If you believe it was just a "lone wolf" scenario and the young demented sniper had no help from the Deep State, then you are so far from the truth that I'm not going to even bother trying to convince you. Notice how Evil always underestimates God just as Good always underestimates Evil. Evil will never win, completely. Oh, a battle, here

and there, perhaps, but in the end, God wins. We who believe in Jesus Christ who is God...win. I prefer to be on the winning team. Don't you?

I am not telling you or anyone to "not vote." I am just saying that if you are as attached to the outcome as the Far Left was in 2016, then don't be surprised when Kamala Harris becomes the First Cackler in Chief. CODIS. Cackler of the Divided States. Likewise, if Trump wins, which is always possible (if God allows it), then remember the incredible Main Stream Media lies, smears, fake news, false accusations, and demented and demonic Far Left lawfare against him during his entire Presidency. And if you thought the China Virus was bad,

do you really think the Deep State demons don't already have several evil contingencies prepared for another Trump Presidency including a more toxic man-made weaponized virus?

Today's political process is ugly. Life is wicked. The major difference in these past 20 years is that Evil is very desperate, knowing their time is running out, and they can't allow any light into the darkened rooms where the Deep State plans its nefarious schemes, otherwise all the cockroaches will scatter. Evil is always bold and cocky till someone shines a light on their vile inhuman nature, which is understandable because they are not human. Satan and his fellow

fallen angels and demons are dark supernatural forces of extreme spiritual powers and intelligence. Satan knows his end is near.

If you're one of the many oblivious Christians who merely and barely warms a church pew so as to check that box in your show of faith, each week, then you are going to be in for a very rude awakening in this Last Hour of these Last Days before the Lord returns. We are to be soldiers in the Lord's Army. We are behind enemy lines; Special Forces with a special mission and it isn't supposed to be a secret. We are children of the Light. We do not love the darkness, nor do we sneak around in the shadows and hope no one notices us.

Yet, how many Christians do you know who can't even get up the nerve to say they're a Christian outside of a warm and fuzzy church social where there's no chance of any push back from the real world and the only threat is someone cutting in line in front of you at the potluck? The real, evil world we occupy is going to grow in its hatred of Christians as much as it has always hated Jews. We who truly believe in the Almighty God of Israel and follow His teachings from the Holy Scriptures of the People of the Book are going to be hated and persecuted for our faith in Jesus Christ, because He said so. Did they not hate Him and persecute Him, first? Jesus has always led the way. Will you follow Him?

The great apostasy or falling away will continue as we see thousands of so-called Christians leave the faith. They're not leaving. They were never Christians. Going to church doesn't make you a Christian. Owning a Bible doesn't make you a Christian. Saying you're a Christian doesn't make you a Christian. The one and only thing that makes you a true, God-fearing Christian is sincere belief in Jesus Christ as both Lord & Savior; that He is the Son of God who died on the cross and rose from the dead on the third day. If you truly know in your heart of hearts and with all your mind and soul that Jesus is God and that He is Salvation, then you will be saved! Any other person, path, teaching, religion, belief, or ritual will not save

you. Jesus, alone, is Lord.

When you know Jesus, personally, then you will love Him with all your heart, mind, soul, and strength. Because of His great love for you, first, you will be able to love Him in return. Open your eyes and ears to see and hear the truth that God is real, the Bible is true, and that Jesus Christ died for you. The Bible is God's love letter to humans to reveal His great love for us, His will for our lives, His grace and mercy by which He blesses us, daily, and most of all His laws and commandments that we may live abundant lives of love, joy, and purpose as His children in His kingdom, forever. Amen!

When you Love the Lord, it is not a burden to serve Him. His gift of the Holy Spirit that indwells you, once you've put your faith in Jesus, will cause you to love Him, deeply. It is never a burden to serve those you love. Being a flawed human, however, with a sinful heart of flesh will, certainly, make it more difficult, perhaps, but the Holy Spirit will teach you, guide you, convict you, and reveal to you all the hidden things of the Lord that will, suddenly, start popping out of the Holy Scriptures so much so that you will wonder if you're reading the same book as before you were saved. Trust me, the Book is the same, but you have been changed. Only those true believers in Jesus that have the Holy Spirit will be able to

read and understand. They will be given ears to hear and eyes to see, and a new heart to love because being Born Again of the Spirit is the Cause and your new life in Christ is the Effect.

This is why the Gospel of Christ falls on deaf ears so many times because only His sheep can hear His voice. Those who are dead in the flesh will scowl and scream and throw things or worse because they cannot or will not understand the things of Heaven. The Gospel is to be preached to the whole world. Sadly, far too many have hardened their hearts against the good news of the Gospel and its message of Salvation through Christ Jesus, Yeshua HaMashiach. When you

blind yourself and close your mind and guard your heart against the love of the truth, then you will not only stop seeking truth and light and love, but you will also become enraged by those who are of the light. If you stray too far from God for too long, even He will allow you to depart further into darkness so that it will be exceedingly difficult to find your way back.

Demons cannot tolerate the light, which is the love of the truth of Jesus Christ who is the Light of the World. Even demons know that Jesus is the Son of God, but they tremble because they refuse to obey Him and there is no redemption for Satan and his fellow rebels or the other supernatural beings that fell from their Heavenly

estate and took the daughters of men as wives to bear them children, which was never ordained by God. Thus, those same Fallen Angels of Genesis 6 and their Nephalim offspring, the giants, were marked for eternal damnation. God sent the Great Flood of Noah's day to wipe away every wicked trace of the evil that the Fallen Angels taught to a wicked mankind, also fallen from the curse of sin, until it had grown to such an abominable state that all men's hearts were thinking evil, continuously, and God's original plan was nearly destroyed by Satan and his dark forces.

But God is all-knowing and He knew before the Creation of the world what would happen. God always has a plan

and His will is sovereign. He will do all His pleasure and work all things for good for those who love Him and believe in Him. So, God told Noah to build an ark. He gave His servant and prophet the exact dimensions and instructions on how to build it. God allowed 120 years for Noah to complete this task while, also, preaching repentance to a fallen world.

If God can create everything out of nothing, He can certainly take a broken world and mend it. The Lord knew that Noah and his family were “perfect” in their generations. I believe there is much more to discover regarding the meaning of the term “perfect” used in this context. More

can be found in extrabiblical texts like the first "Book of Enoch" that most will say is not inspired scripture. While I agree that there are good reasons for it to have not been included in the biblical canon, I hesitate to say that the first "Book of Enoch" isn't inspired scripture since Peter, Jude, and even Jesus speak of its text, quoting some of it, to make their points.

Regardless of true inspiration through the Holy Spirit, you can still find worth in its reading, I believe. I've studied it for several years and I haven't found anything in the "Book of Enoch" that contradicts the Holy Bible. Instead, I only find an amazing story by Enoch of his rapture to Heaven to be shown many things by Heavenly beings that

only support the Word of God while enlightening some of the passages of scripture that could use a little explanation, especially the Genesis 6 account of the Fallen Angels who mate with the Daughters of Men and the hybrid giants that are born to them. If you're a solid student of God's Holy Word and rightly divide Scripture, using proper interpretation while keeping it in context, then you should have no concerns about reading any extrabiblical texts. Pray about it and let the Holy Spirit lead you.

But let's come back down to Earth and look at some recent events in the news, for they show the increasing lawlessness and darkness that is rising around the world from the hearts of

men as prophesied in God's Holy Word, which proves that these are the End Times the scriptures speak of from the Old Testament to the Book of Revelation. Our time is running out.

The opening ceremonies of the Paris Olympics shouldn't be a shock to anyone, though they were vile and disgusting to any Child of the Light. Every true Christian would not even want to watch this wretched wickedness that some think passes for entertainment. I suggest you don't bother. Just hearing of what happened is bad enough, but there's no reason to have those ugly images seared into your brain. When Satan's minions are so blatantly obvious in their mocking of our Lord & Savior,

Jesus Christ, then it should wake you up to just how bold the forces of evil have become in this fallen world. As a student of scripture, however, this is not shocking or surprising, for Jesus said these days before His return would be *"Just as it was in the days of Noah, so will it be in the days of the Son of Man."* - Luke 17:26 (ESV)

*The Lord saw that the wickedness of man was great in the earth, and that every intention of the thoughts of his heart was only evil continually. - Genesis 6:5 (ESV)*

I cannot tell you the exact day or hour, but I can, certainly, point to the very obvious signs of prophecy being fulfilled before our very eyes as we

watch the wicked world around us grow darker and more evil, everyday. Some people will say that the world has always been this way, so where is this Jesus I speak of? It's been nearly 2,000 years since He died upon the cross and why should we believe that His return to Earth is imminent, this time? I'm glad you asked. Because the Nation of Israel had not yet been reborn and the Jews regathered from the four corners of the Earth. Ezekiel Chapters 36 & 37 tell us of the dry bones of God's Chosen People being brought back to life by the hand of God, and the desert blooming and thriving as the desolate wilderness of the Promised Land would be born, again. The key is the State of Israel. It's always about Israel. The Holy

Scriptures are about the Jews, God's Chosen People, and how they were banished from their land for disobeying Him, but He promised to bring them back and protect them as He always has, if they would turn away from the world and look to Him for guidance. On May 14, 1948 the Nation of Israel was reborn, which was prophesied by major prophets like Isaiah, Jeremiah, Ezekiel as well as Moses in both Leviticus and Deuteronomy. Some of these prophecies were written over 3,400 years ago. God keeps His Word. God keeps His promises. God keeps His hand upon the People of the Book. His Chosen People, the Jews. And He will protect them till the very end. For those who know the Bible well,

including End Times prophecies, then we are not shocked by all that is happening in this chaotic world, these days. Instead, there is a continual nodding of heads in affirmation to what was written and recorded so long ago. As prophesied, in these Last Days, mockers and scoffers, who do not believe in what they deem to be Biblical myths or fairy tales, will repeatedly laugh at claims of the Messiah's Second Coming. We must pray for these ignorant unbelievers to wake up and realize the truth; that Jesus is coming, soon. Sadly, too many in this fallen world have turned away from the Lord for far too long, and their hardened hearts and seared minds may keep them from waking up in time.

The reprobate minds of stubborn mankind will lead these foolish people to stumble headfirst into the Great Tribulation where they will suffer the wrath of God to come as all manner of plagues, famines, wars, earthquakes, and incredible supernatural punishments will pour down from Heaven, above. But wait, there's more: the demonic wrath of Satan, Earthbound till his defeat, will work, tirelessly, to enslave or murder every human who remains alive and does not bow before him. Plus, the Fifth Trumpet Judgment will unleash evil demons from deep within the bowels of the Earth that will torment all who bear the Mark of the Beast. These fools will be stung as if by a scorpion and in exceeding pain will seek death,

but cannot die. This terrible torment will last for five months. Then, the Sixth Trumpet will blow and four Fallen Angels bound beneath the Euphrates River will be released to slay a Third of Mankind that remains after billions have already been slaughtered.

The Earth-dwellers will not be able to hide from the many just punishments prophesied in the Book of Revelation. When the last scroll is unsealed by the Lamb of God in Heaven, then all Hell will break loose upon those remaining on Earth who rejected the Gift of Salvation in Jesus Christ. If you've never heard of these End Times prophecies, then I urge you to read the Book of Revelation and realize that we are a very few years away from

the beginning of this Great Tribulation. And if you want to miss it, entirely, then you must believe in Jesus to be saved. Do it now!

Do not scoff or ridicule these ancient prophecies from the Bible that, like hundreds of others, have all been fulfilled exactly as they were foretold in a very literal manner. Even world historians and archaeologists have proven so many things about the Bible's text to be absolutely accurate. Those who refuse to believe have a heart issue regarding Our Father in Heaven. They would rather die than submit to the Creator's authority. Well, choose wisely, because your soul will live forever and if you choose Eternal Death by rejecting Jesus

Christ, then you will get exactly what you wish for, which is separation from God for Eternity. You know not what you ask for, if this is your foolish desire. Rethink it. Repent. Change your mind. Humble yourself before the Lord before it's too late.

The Middle East is heating up. Hot desert lands. Hot-headed Islamic fanatics and savage terrorists. Hot wars and rumors of wars as the whole region is becoming a blazing hot zone that must be avoided. Airlines are cancelling flights into the area and flying around the entire airspace over the Middle East that could, suddenly, hold hundreds or thousands of cruise missiles, drones, or ballistic missiles being fired against Israel. From Iran,

Iraq, Syria, Lebanon, and Yemen the projectiles are being fired upon the tiny nation of Israel, daily. May the Good Lord's hand protect His people, which He is doing, nicely, though there are always tragedies and only God knows why. He will work all things for good for those who love Him and obey His commandments.

Even Turkey is threatening to invade Israel. Turkey's President Erdogan, who deems himself a modern Caliph or Sultan, announced his concerns for the Palestinians in his harsh criticism of Israel and said Turkey must be strong so as to aid those oppressed by the Zionist regime. That is my paraphrase and not an actual quote. Yet, though this new Turkish threat

may sound incredible, considering every other enemy slithering out of the shadows to strike at Israel, it merely raises a knowing eyebrow for those who are familiar with the Book of Ezekiel, Chapters 37 & 38.

If you've studied the alliance of evil that comes out of the North to take Israel's booty in the last days before the 70th Week of Daniel begins - the Time of Jacob's Trouble - then you'll recognize Togarmah as modern Turkey. The current military alliance between Russia and Iran may, soon, have Turkey join it's evil Ezekiel Axis that only needs Libya and Sudan to round out the perpetrators of plunder who will march upon the Holy Land out of the North, fulfilling Bible

prophecy. The Ezekiel War will be one of the largest displays of miracles in modern times, when the Lord, supernaturally, destroys almost every member of the huge military force bearing down upon His People out of the North including all the missiles and objects flying towards Israel to annihilate the tiny nation. It will be obvious to the world and, especially, Israel that the Lord was the one who defeated their enemies for even their Iron Dome and Iron Beams will be no match for this onslaught, nor will there be any help from any other nation for this event.

This great feat of protection will cause the eyes of the Jews to begin opening to the truth about their God and His

Only Begotten Son, Jesus. The partial blinding of the Jews since their Messiah was killed in Jerusalem, nearly 2,000 years ago, will be lifted and the nation will begin to recognize what their forefathers did when they had Jesus crucified. Though there have always been Jews who believed in Jesus Christ as the Messiah, this will be the time for the whole House of Israel to, once again, begin to repent and look towards the Lord and His Son, Jesus, who died for the sins of all mankind. For the Jew, first, then for the Gentiles. Hallelujah!

As long as I live, I will stand up for Jesus Christ, first, and America, second, if they are governed according to the will of God and His

commandments found within the Holy Scriptures. I do not blindly follow incompetent, corrupt, and evil leaders just because they have stolen a title. I do not worship the offices of mankind. I serve the King of kings and Lord of lords. I believe in a Heavenly monarchy and my citizenship is not of this Earth. This world is not my home, I'm just passing through. I will obey the laws of the land and live peacefully while loving my neighbor and praying for my enemies. And I will defend the Constitution of this grand ol' American Republic against all enemies, foreign and domestic and, especially, demonic, till I pass from this mortal realm.

Nearly everyone would like to see life

get better on Earth, but they are either ignorant of how to accomplish this, or unwilling to submit to the authority of the only One who can make it happen. There will never be peace on Earth and goodwill towards men until the Prince of Peace sits on the Throne of David in Jerusalem. When Jesus Christ reigns, during His Millennial Kingdom, He will restore the Earth to a Pre-Edenic state. Sin will still be a curse over all Creation, but Satan will be bound for that thousand years. Read the Book of the Revelation of Jesus Christ, the last book in the Bible, if you want to know how the remaining years of human history plays out on this material world.

Satan is trying to get everyone on Earth to worship him and follow his Globalist scheme of a One World Government, and harness technology and genetics to allow humans to live forever. But you have to sell your soul in that transaction. God has already offered you Eternal Life in Heaven, if you'll just believe in His Son, Jesus. Your soul belongs to God, anyway, for He was the one who knew you before you were even born. Before He knitted you together in your mother's womb. He breathed His Breath of Life into you at conception and gave you Free Will to return to Him when you saw the Light of His Righteousness in Jesus Christ. If you, genuinely, would rather be separate from God for Eternity, then don't accept His Gift of

Salvation through Jesus. Only a fool would choose an Eternity in Hell over a life in paradise, forever, with the Creator God of Heaven who is all-powerful, all-knowing, and full of love, mercy, and grace. Our Father in Heaven pleads for you to come home to Him. He stands with open arms. He is a loving, forgiving Father, if you'll just humble yourself and admit that you have sinned. Sincerely ask forgiveness. Seek Him. Believe in Jesus Christ and be saved!

The Deep State is a world-wide shadow group controlled by Satan. The Progressive Left is controlled by the Deep State. JFK's old Democrat Party has been assassinated just as he was in 1963. The New Left is a

Socialist-Marxist-Communist mob of radicals that are so extreme that we must recognize them for the lies they project onto the world. The modern Loony Liberals are Satanists. They defy God, the Bible, Jesus Christ, all of the Judeo-Christian morals, ethics, and values that have built and maintained America till World War II. Since then, it has been a steady erosion of all family, church, community, and national values.

Whoever votes for this new world order bunch of insane Liberals on the Loony Left is not a true Christian. Beware. Many are called, but few are chosen. Calling yourself a Christian without a true love for Jesus Christ is blasphemy. If you love Jesus, then

you should gladly submit to His will and obey His commandments. A true Follower of Jesus Christ does not try to rewrite the Bible or interpret it out of context so as to allow whatever sin and perversity you, personally, desire because you cannot tame your lusts of the flesh. A true Christian is indwelt by the Holy Spirit. A true Christian knows that abortion is murder and will never lower God's standards to accommodate the wickedness of the world.

Have you ever played Risk? It's a simple world domination board game from Parker Brothers that has been around since 1957. The gameplay involves rolling dice and moving your troops to conquer the world. Ever

since humans have held world power in governments, banking institutions, and corporate entities, there have always been shadow groups that operate behind closed doors and beyond the scrutiny of all the peasants. We the little people.

The Deep State is, merely, one name for the modern version of this wicked cabal that wants to rule Earth under its New World Order. Even they can sense that the end is near. Satan knows it. God certainly knows it. Do you? Even unbelievers feel the chaos increasing and the lawlessness rising and the love of mankind growing colder and colder. Anything goes and no one is being held accountable. No one in power admits their mistakes or

apologizes to the public. These End Times are quickening and we are so close to the light at the end of the tunnel we can tell there's one Hell of a train hurtling straight for us. Can't you hear the rumble?

True Christians are not afraid of the End of the world because we will not be here. Jesus Christ will return for His Bride, the Church, and take us to Heaven where we will be protected for the hour of God's Wrath to come. Man cannot stop what is coming, nor can mankind fix these worldly issues and bring peace to the Earth. Only Jesus will bring His peace upon the Earth when He returns after the Great Tribulation. If you want peace and the Blessed Hope of Jesus' return in the

clouds to rapture the Church to His Father's House in Heaven, then humble your heart before Him, right now, and recognize Jesus Christ as your Lord & Savior. The Son of the One True God of Israel. He is the only way!

Iran is trying to avoid direct confrontation with Israel, this time. It's April volley of missiles and drones were shot out of the sky by Israel and her allies. Hezbollah has enough missiles that it might be able to momentarily overwhelm the Iron Dome or even the new Iron Beam laser system that Israel has, recently, deployed. Ultimately, however, God's hand will protect Israel during the Ezekiel War. I urge you to study

Ezekiel, Chapters 38 & 39, for those very specific and unique details. Some Christians are suggesting that this scenario, now, with Iran could be the lead-up to the Ezekiel War, but that's a bit premature. If they mean a lead-up of a few years, then yes. But Ezekiel specifically says some things that have not been fulfilled, yet, must take place before that war can happen.

God, through His prophet, Ezekiel, speaks to Gog of Magog who will lead the evil axis of countries allied against Israel in the Ezekiel War. In Chapter 38, Verse 11, God tells Gog (a title of a military/political leader) that he will say (this is Gog speaking)... *11 "I will go up against a land of unwalled*

*villages; I will go to a peaceful people [Israel], who dwell safely, all of them dwelling without walls, and having neither bars nor gates'— 12 to take plunder and to take booty, to stretch out your hand against the waste places that are again inhabited, and against a people gathered from the nations, who have acquired livestock and goods, who dwell in the midst of the land.*

Though much of the Jewish diaspora has been regathered into modern Israel, and their prosperity and military strength has grown, we know that they are not at peace, now, nor will be until Hamas, Hezbollah, and the other Iranian proxies in close proximity are wiped out. Though

other unnamed forces will accompany Iran, Russia, and Turkey in the Ezekiel War, which will see all of these enemies' demise, the peace that needs to be in place for Israel is not at that level, now. When terrorists would like nothing more than to duplicate Hamas' barbaric atrocities on October 7, then Israel will always feel on edge and keep their walls and their guard up. Besides, the enemies coming upon Israel, during the Ezekiel War, are coming for plunder and to take booty. They are not retaliating for some Israeli strike upon their assets. Until Israel feels strong enough, internally, and no terrorists can enter their borders or strike from within the Gaza Strip, the West Bank, or Golan Heights, then I believe the Ezekiel War

will be delayed. This could still take a few years, but I understand the intense yearning for the Lord's return to take us out of this sinful world, therefore, some want to rush the fulfillment of prophecies by latching onto certain points while ignoring others. We must allow God to fulfill all His pleasure in His own time and manner. Thy will be done, Lord!

Keep your eyes on Israel, but also keep your eyes on Damascus. ***Isaiah Chapter 17, Verse 1*** tells us that *Damascus will cease from being a city and be a ruinous heap.* This sounds like a nuclear strike because neither biological or chemical weapons cause rubble to occur, and a ruinous heap certainly sounds like the whole city will

be flattened. With the many strikes by Israel throughout Syria over the past ten years, I believe Damascus could very well be destroyed before the Great Tribulation begins and, perhaps, even before the Rapture of the Church. Anyone could speculate as to what might precipitate such a horrific strike against Damascus, but the why and how aren't important. Just keep watching Damascus, for Iran continually funnels weapons, supplies, and terrorists through Syria to rearm all its proxies. The birth pangs are increasing in intensity and frequency. Time is running out.
