

Welcome to Enoch Was Not

Hello and welcome to **Enoch Was Not**. I'm *Brother Scott*. If I wait until I think of the perfect greeting, then it will never happen. For nothing in this world is perfect, especially me, and time is running out. So, may I have 60 seconds of your life? I'll tell you more about **Enoch** and what my website and podcast are all about, later. Your soul is the most important thing about you, and I'd like a moment to discuss it, if I may.

How we greet someone depends upon so many variables, but none more so than the conditions at the time of our meeting. If you are dying and about to take your last breath, then every second counts and I want to prioritize by only saying the most important thing I can think of, which is this: "Do you know **Jesus**? Do you

believe in **Jesus** and know **Him**, personally, as the **Son of God**?"

For **God** is real. The **Bible** is true. And **Jesus Christ** died for you. **Heaven & Hell** are real. Do you know where you're going? You'll be there, soon.

The most important thing in life is your relationship with **Jesus Christ**. Nothing else on **Earth** or in this world is more important except for the souls of everyone else you know, love, and want to spend eternity with. Do they know **Jesus**? Only **God** knows the human heart.

That was about 60 seconds. If you're not in danger of dying, immediately, as if you could truly know that, and have just a few more minutes to live and ponder the weight of such things, then I will still ask "Do you know **Jesus**?" He's all that matters.

But back to your imminent death. If you do know **Jesus**, personally, then I'll smile and ask how I can comfort you or ease any pain or suffering you are experiencing, and pray with you, if you wish. Then, we'll wait, together, for you to pass into **His** loving arms in **Heaven** where sorrow and suffering have no home and you'll meet, again, all the ones who knew you and also believed in **Jesus**; where you and I, and all our **Brothers & Sisters in Christ** shall live with **Him**, forever, in perfect harmony with **God** and all **His** creation.

However, if you do not know **Jesus**, personally, as your **Lord & Savior**, then these last 60 seconds might feel like the final overwhelming fears from a long list of regrets, guilt, and shame rushing to smother you, while you're staring **Death** in the face and do not have a good answer for what lies beyond this life before you pass into the great unknown. That would be terrifying and rightfully so. I do not wish that upon anyone.

Because **God** loves you and I love **Him**, then I am also commanded to love you, which I do. I love your soul for you are made in the image of **God** and that makes you very special. What can I say, right now, in these remaining seconds of your life to convince you that you must humble your heart before **God** and believe in **Jesus Christ** to be saved?

Nothing, perhaps. But because I am saying something, anything, and pointing towards **Jesus**, then **His Holy Spirit** is tugging at your heart and, hopefully, you will wake up and realize that it's all true. These crazy **Christians** and their **Bible**-thumping beliefs are proof that they're deeply committed to following **God's** commandments to **Share the Gospel** and tell people the **Good News!** That **Jesus Christ** is our **Lord & Savior** and you must believe in **Him** to be saved...before you die.

I can tell you about **Jesus** in less than 60 seconds and implore you to believe in **Him**. It can take you less than the blinking of an eye to go from being an **Unbeliever** to being a **Believer**. Sadly, however, it can take an entire lifetime of selfish living in this wicked world, rebelling against **God** and **His Laws & Commandments**, suffering, searching, and sinning, repeatedly, before someone will have their eyes and ears opened to the truth. Most people must learn the hard way. It could be so easy, if you will just listen.

God is real. The **Bible** is true. And **Jesus Christ** died for you..and you...and you, and everyone who ever lived. I do not lie. Please do not die in disbelief. **Heaven** is real and **Hell** is real. I would love to see you in **Heaven**, someday. Now, it's up to you and your **Free Will** to make the right choice. Your **Eternal** soul deserves a few moments to ponder this very important decision, don't you think? I think so. **God** thinks so. We love you. So, do you believe

in **Jesus** and will you humble your heart before **Him**, now, before it's too late?

Back to my website and podcast, **Enoch Was Not**. What's this all about? **Enoch** was such a friend of **God's**, walking and talking with **Him** in fellowship, and his faith pleased the **Lord** so much that **God TOOK him!** Snatched **Enoch** right off the face of the **Earth** and took him to **Heaven**. This great scribe and leader of his time and 7th from **Adam** in his generations never experienced death.

Enoch was not a **Jew**. This was long before **God** chose the **Jews** to be **His** people to represent **Him** here on **Earth**. Long before **Abraham**; long before the **Great Flood**. In fact, **Enoch** was **Noah's great-great-grandfather**.

Would that I could walk and talk with **God** so faithfully as **Enoch** did that the **Lord** might be

pleased with me and take me to **Heaven**. One day, **He** will. Either through my normal passing in the expected way of human death, or in the **Rapture** of the **Church** as an incredible mystery revealed by the **Apostle Paul** and **Jesus, Himself**, who promised to come back for us and take all of **His** believers with **Him** back to **His Father's House** where **He's** prepared a place for us that we may escape the wrath of **God** to come during the **Great Tribulation**. I believe the **Rapture** of **Believers** in **Christ Jesus** is imminent. It could happen at any moment.

I believe in **God, Jesus**, the **Bible** and these amazing prophecies it contains (over **1,800**, total, with many written down up to **3,000 years**, ago) whereby half or more have already come true, literally, with as many to be fulfilled in the near and not so distant future.

I invite you to join me in listening to my podcast, "**Enoch Was Not**," as I talk about my **Lord & Savior, Jesus Christ**, and all things **Bible**

including **prophecies** to come. Some of which I believe are just around the corner, for I'm seeing many of the **signs of the times** developing in the **Middle East** and beyond, for greater conflicts predicted, centuries and millennia ago, by the faithful followers of **Almighty God** who were **His** appointed **prophets** and **scribes** telling us the **End from the Beginning** that we might believe in **Him** as the **One True God**.

Enoch Was Not...for God TOOK him!

Subscribe and listen, today, to what the **Bible** still has to say about the age we're living in, and what may be happening next in the unfolding of hundreds of **Bible prophecies** that the **Good Lord** told us about through **His Holy Word**, inspired by the **Holy Spirit**, not to scare us, but to prepare us for what to expect that we should not be afraid, if we believe in **Jesus**.

Enoch believed and walked faithfully with **God**. What do you believe? In whom do you believe? Are you walking with **God** or working against

Him? Join me, *Brother Scott*, as we journey through the **Holy Scriptures** and study the **Word of God**, together. Let us walk with the Lord in the coolness of the evening, talking of faith and fellowship with **Him**, forever.

He that hath an ear, let him hear!
