*This is...The Last Hour*  
***Episode #3***

***"Then They Came for the Jews"***  
***May 25, 2024***

**God** is real. The **Bible** is true. And **Jesus Christ** died for you. Do you know **Jesus**, personally, as your **Lord & Savior**? I hope you do, for we're in the *last minutes* of ***The Last Hour*** of the ***Last Day***, and **Jesus** is coming, soon! Are you ready?

Welcome to ***Enoch Was Not***. I'm *Brother Scott*. Let us pray:

“Dear Heavenly Father, we bow our humble hearts before you in awe and reverence, for you are the Most High and Holy God of Israel. We are not worthy, Lord, but because you first loved us - even when we were rebellious and wicked and sinful against you - now, because you have given us a new heart, allowing us to be reborn in Your Spirit, we love you with all of our heart, mind, soul, and strength, and only seek to please You. To serve You.

By believing in Jesus, your Beloved Son, who died on the cross, was buried, and rose again on the third

day, we have been redeemed. Not by anything we've done, but by everything our Lord & Savior, Jesus Christ, has done and His work is finished at the cross where our atonement and reconciliation with You, Heavenly Father, is complete.

Please guide us, Lord, through your Holy Spirit, who dwells now within us and will, forever, lead us and teach us and help us to understand your Holy Scriptures as well as your Sovereign Will for our lives. Help us to walk closely with you, each day, and to never stray off the path as we stay far away from the wicked ways of this world. Keep us vigilant, always, and ever wary of wolves who seek to destroy us and your flock, your

children of light, of the Way, as the Bride of Christ who waits for Her Bridegroom who will, soon, come to gather Her for the Marriage Supper of the Lamb in your Heavenly House, above.

Forgive us where we fail you, Lord, and help us to discern the truth, always, and never be deceived by the Evil One. Please do not let us mislead, anyone, and keep our eyes looking up to see only You and your most Holy Majesty, plus the imminent appearance of Our Lord & Savior, Jesus Christ, who will reign forever and ever. Amen.”

Israel’s Defense Force, the IDF, is tightening the noose on Rafah, the

final stronghold of Hamas, merely one of Iran's proxy militias, and this very evil, barbaric, and Satanic horde of terrorist scum will soon be no more. The IDF have discovered dozens of new underground tunnels in the Southern Gaza Strip that are wide enough and high enough for very large trucks laden with supplies, weapons, and ammunition to be smuggled into the Hamas lairs beneath the Strip while letting the evil leaders of Hamas sneak out through Egypt whose ancient and modern hands are also covered in the blood of innocent Israeli women, children, and men as much as any terrorist screaming Allahu Akbar!

The tunnels beneath Rafah are an

underground autobahn of terror, which allows the evil hive of Hamas to move freely about like wicked worker bees as they shield themselves by the secret layer of Satanic supporters, above, who claim to be innocent civilians, but are nothing more than terrorists in disguise; hornets pretending to be honey bees; wolves in sheep's clothing.

Never fear. God is in control. Not Allah. Yahweh, the God of Israel is the One, True God. He has no equal. No one can compare to Him. The God of the Jews is our Heavenly Father and Creator of the cosmos and every living creature beneath billions and billions of stars, which He placed and named exactly as He desired; all of it for His

pleasure, and His Will is Sovereign.

Mock or scoff at the Jewish God of Creation at your own peril. Soon, you will see more and more examples of His prophecies being fulfilled as His Holy Scriptures come to life in an ever increasing frequency and intensity of wrath upon those who refuse to obey His commandments. Against those who curse the Jews and His Holy Land of Israel, which He gave to the Jews thousands of years ago. It is God's Earth. Only He can divide and gift it as He wishes.

God does not lie. He cannot break a covenant promise. He will do all His pleasure in His time and when everything is ready to come to

fruition. The time for many Bible prophecies to begin to be fulfilled is upon us as we near the end of the Age of Grace; the Church Age. Soon, greater wars and Divine displays of God's miraculous hand intervening in the affairs of men who seek to destroy His people will prove, again and again, that the Holy One of Israel is the One True God and He will always protect His People from annihilation. When the time is right and the fruit is ripe, God will reap the harvest and His Holy sickle will be dripping in the juice of the vine flowing deep from the ground up to the horses' bridles.

It is written that, now that Israel is back in their Promised Land, they will never again be forced out of it or

dispersed across the face of the Earth as in the past 2,600 years until 1948. As the prophet Isaiah spoke, long ago in Chapter 66, verses 5-16:

**5** *Hear the word of the Lord,  
You who tremble at His word:  
"Your brethren who hated you,  
Who cast you out for My name's sake,  
said,  
'Let the Lord be glorified,  
That we may see your joy.'  
But they shall be ashamed."*

**6** *The sound of noise from the city!  
A voice from the temple!  
The voice of the Lord,  
Who fully repays His enemies!*

**7** *"Before she was in labor, she gave*

*birth;*

*Before her pain came,  
She delivered a male child.*

**8** *Who has heard such a thing?  
Who has seen such things?  
Shall the earth be made to give birth  
in one day?  
Or shall a nation be born at once?  
For as soon as Zion was in labor,  
She gave birth to her children.*

**9** *Shall I bring to the time of birth,  
and not cause delivery?" says the  
Lord.*

*"Shall I who cause delivery shut up  
the womb?" says your God.*

**10** *"Rejoice with Jerusalem,  
And be glad with her, all you who love*

*her;*

*Rejoice for joy with her, all you who  
mourn for her;*

**11** *That you may feed and be  
satisfied*

*With the consolation of her bosom,  
That you may drink deeply and be  
delighted*

*With the abundance of her glory.”*

**12** *For thus says the Lord:*

*“Behold, I will extend peace to her like  
a river,*

*And the glory of the Gentiles like a  
flowing stream.*

*Then you shall feed;*

*On her sides shall you be carried,*

*And be dandled on her knees.*

**13** *As one whom his mother  
comforts,  
So I will comfort you;  
And you shall be comforted in  
Jerusalem."*

**14** *When you see this, your heart  
shall rejoice,  
And your bones shall flourish like  
grass;  
The hand of the Lord shall be known  
to His servants,  
And His indignation to His enemies.*

**15** *For behold, the Lord will come  
with fire  
And with His chariots, like a whirlwind,  
To render His anger with fury,  
And His rebuke with flames of fire.*

**16** *For by fire and by His sword  
The Lord will judge all flesh;  
And the slain of the Lord shall be  
many.*

The prophecy revealed in these verses about a nation being born in a day was fulfilled on May 14, 1948 when Israel became a nation for the second time in its very long and ancient history. Why? Because God said so through His prophet Isaiah. And what God says, He means and He does. Unlike humans, God does not lie and He is unchanging. What was spoken thousands of years ago is just as valid and relevant, today. Israel was gathered back into its Promised Land from the four corners of the Earth and it will never, again, be dispersed. God

will protect Her, for she is His bride.

Those who come against Israel in these End of Days will be vanquished. They will all fail, for it is written. The Lord has spoken it and it shall come to pass just as every one of His hundreds and hundreds of other prophecies, whose time had come, were fulfilled exactly as He said, and still many hundreds more prophecies await His perfect timing of perfect fulfillment. For only the God of Israel is the Most High & Holy True God who is omniscient (all-knowing) and omnipotent (all-powerful). Only He can speak the End from the Beginning. His Holy Scriptures, the Bible, are the only written documents that accurately predict the future and are

fulfilled exactly as written. Only the Bible is the true Word of the True God. No other book, writing, or alleged predictor of prophecy exists to match the Judeo-Christian Bible.

The Quran is a lie. Allah is not God. Though this may get me banned or martyred, so be it. I'm not trying to enrage a misinformed people just to be rude. However, I love your souls and it is the truth and many thousands of Muslims are waking up to this almighty truth, for they are having dreams and visions of the Son of the True & Living God. They are seeing Jesus Christ in these dreams and visions all across Islam as a great awakening is sweeping the arid and desolate land of Allah who is a false

god and has never made an accurate prediction. Allah is a puppet of Satan.

I do not say this to anger you or to stir up animosity or evil among you. I say it, simply, because it is true and I love you. Jesus loves you. Yahweh loves you and only wants you to repent and come to Him through His beloved Son, Jesus Christ. It is only through Jesus that the world is saved. There is no other way to Heaven. There is no other way to meet the Father. Jesus is the Way, the Truth, and the Life. Jesus is the Light of the World. Jesus is not a mere teacher or prophet, though He is the greatest of these, as well. Jesus is God, Himself; incarnate, Divine, Eternal, and Infinite as the Father. Jesus and the Father

are One. When you see Jesus, you see the Father. No one else can make this claim, truthfully, though there have been and will be many false Christs, especially in this Last Hour before His return.

Last Sunday, May 19<sup>th</sup>, 2024, Iran's president, Ebrahim Raisi, and seven others were killed in a helicopter crash while attempting to navigate in fog and poor weather conditions, which were beyond that particular airframe's structural integrity or pilot's ability. Unless it was sabotage, mechanical failure, or an Act of God. Do not laugh. God's hand deals directly with those who come against His Chosen People and Iran, today, is the worst. They only seek to destroy Israel and

through their many savage proxies would do so, if God did not restrain them.

As for the death of a Satanic leader of a decent but deceived people, Persians, many home-grown anti-government groups in Iran despise their tyrannical leaders, despotic ayatollahs, and secret morality police...so anything is possible. While the crash could, simply, be pilot error or weather conditions beyond the capability of him, his co-pilot, or the aircraft, itself, there was immediate blame for Israel. Never an acceptance of accountability on the wicked's part; never responsibility taken for anything worthy like loving your neighbor, but always claiming the most evil acts of

atrocious terrorism as acts of heroic martyrdom. These mindless zombies are nothing more than suicide pawns in Satan's army.

Israel, of course, was blamed within hours of the crash, yet no proof was presented and Israel denied it. Not everything mysterious is by the hand of the Mossad or Shin Bet. Where Israel's safety and security are concerned, God's hand will always act, first. Not even a tiny sparrow falls from flight o'er this Earth unless the Father allows it. When the time is right, the right hand of the Father will allow His creation to fall and fail to further His plan for good out of all this evil; His plan for light to illuminate all of this darkness; His plan for righteous

order out of all this wicked chaos.

Naturally, Israel, to Iran, is always the Little Satan and the cause of all their woes. Iran calling Israel the Little Satan while calling America the Big Satan is oxymoronic. The Islamic leaders are, indeed, moronic, but this is a perfect example of Satanic projection. Satan is an expert at projecting onto others what he and his evil minions and puppets are, actually, doing themselves. The same can be said for the Far Left Loons in American politics who, continually, project onto the Right all the evil they commit, themselves. You can always tell they are lying because their lips are moving. Both parties are corrupt. Satan runs the whole lot of them.

Iran says that Israel and America are Satan, then you can rest assured that it is Iran who is Satan's true puppet. Sadly, they believe they are righteous, but self-righteous arrogance and violent jihad are only going to get the entire nation of Iran destroyed and its people scattered to the four winds. This is Bible prophecy. Expect it. Watch and wait for it. Read it in the Holy Scriptures, today, and the world news, tomorrow.

While the loss of Iran's president might be a minor issue, since the true power is wielded by the ayatollahs with an iron Islamic, nay, demonic fist as they've done since their revolution began in 1978-'79 when they overthrew the Pahlavi puppet dynasty

that had been installed by American CIA and British MI6 intelligence operatives (equally as evil), a new president will be, quickly, put in place by the Islamic ayatollahs as the Satanic march to wipe Israel off the map continues, nonstop, until they come up against the hand of God in the Ezekiel War; a not so distant yet cataclysmic example of divine justice.

This prophesied war will see the demise of the majority of Islamic dominance in the Middle East, which will pave the way for Israel to rebuild their Temple on the Holy Mount after the Al-Aqsa Mosque is destroyed or the Islamic presence is removed. This will be the Third Temple, which the AntiChrist will corrupt at the mid-point

of the Great Tribulation by revealing the Abomination of Desolation within the Holy of Holies.

Likewise, God foretells of the destruction of Elam, Southern Iran (ancient Persia) along the Gulf waters, where many of the Russian-built and American-financed Iranian nuclear facilities are hidden deep beneath the mountain range, there. This prophesied event could come before the Ezekiel War, also, but either way this prophecy against ancient Elam, plus the Ezekiel War of Plunder will bring Iran, as we know it, today, to its knees politically and religiously. As the main Shia threat to Sunni Muslims, everywhere, Iran is no friend to Saudi Arabia and other Middle East

enclaves of Sunni Islam; only a slightly more moderate Islam. The Shia are the minority in Islam while the Sunni Muslims are the majority. They differ, greatly, and while the Sunnis might be, perhaps, a bit milder than their Shia brothers, they both follow a false god in Allah. Iran's coming destruction will precede many favorable conditions for all of the Middle East, since Sunni Islam is, presently, more accommodating to Israel and have even brokered several peace deals via the Abraham Accords, which began under President Trump by 2020 to include the United Arab Emirates (UAE) and Bahrain. Saudia Arabia is expected to come on board, as well, but are probably waiting till after this year's 2024

presidential election in America. If Trump is re-elected, he will help make this happen as he did in his first administration. There would be no chance of this under a second Biden administration, which is struggling to assist Israel in their fight against Iran who is the #1 state sponsor of terror in the world. The Obama-Biden administrations are the ones who have armed and financed the demonic Islamic Regime of Terror in Iran and throughout the world. Barack Hussein Obama was a follower of Islam, a Manchurian Candidate from the Muslim Brotherhood and planted by the CIA as the most anti-Christian, anti-American president, ever, but his puppet, Biden, is running a close second during Obama's third term,

which he desires to turn into a fourth. If you voted for these evil buffoons, then you are just as guilty. Your blind and willful ignorance is destroying America...the last Christian nation to withstand the political power of the antichrist in today's world.

The main reason that God has blessed America in these modern times is because America has blessed Israel and, always, stood by it since President Harry Truman first recognized its rebirth on May 14, 1948. God will bless those who bless Israel and curse those who curse Israel. Since the whole world is rushing forward into a far greater anti-semitism than we've seen since the 1930s German era of this Satanic

sickness, there will come a day when even America completely turns its back on tiny Israel. While the size of the nation is very small, compared to most, Israel's God is the biggest and only True God who will protect them, lead them, and guide them through the Great Tribulation to come, if they will only return to Him and believe.

In fact, until they, finally, wake up and realize that they (their ancestors) were responsible for killing their Messiah (the Anointed One - or Christ) and say "Baruch haba B'shem Adonai!" "Blessed is He who comes in the name of the Lord!", then Jesus will not return to save them from the wrath of Satan who will come against Israel in the final days of the End Times, during

the Great Tribulation, as the Holy hour of God's Wrath pours out upon this evil world that has rejected His beloved Son, Our Lord & Savior Jesus Christ.

Two thirds of the modern Jewish people, about 12 million, will be annihilated at the hands of Satan's AntiChrist and all the forces under him that have taken his mark on their right hand or on their forehead as prophesied. God's wrath will also pour out upon the whole world of unbelieving Earth-dwellers and unless you repent, now, and believe in Jesus, you will not be saved from this hour of wrath to come, which is one of the reasons for the Rapture of the Church. The main reason for Jesus' appearance in the clouds above the Earth,

however, is to resurrect the dead in Christ, first, then change all who truly believe in Him into our eternal glorified bodies that will never grow old or die. We must be translated or transformed from mortal to immortal; from corruptible to incorruptible so that we may live with Jesus and Our Father who art in Heaven forever and ever, amen.

According to the Bible as paraphrased and explained very well on the **[Got Questions?](#)** website, "After Jesus rose from the dead, He "presented Himself alive" (*Acts 1:3*) to the women near the tomb (*Matthew 28:9-10*), to His disciples (*Luke 24:36-43*), and to more than 500 others (*1 Corinthians 15:6*). In the days following His

resurrection, Jesus taught His disciples about the kingdom of God (*Acts 1:3*).

Forty days after the resurrection, Jesus and His disciples went to Mount Olivet, just East of Jerusalem. There, Jesus promised His followers that they would soon receive the Holy Spirit, and He instructed them to remain in Jerusalem until the Spirit had come. Then Jesus blessed them, and as He gave the blessing, He began to ascend into heaven. The account of Jesus' ascension is found in *Luke 24:50-51* and *Acts 1:9-11*.

It is plain from Scripture that Jesus' ascension was a literal, bodily return to heaven. ***He rose from the ground gradually and visibly,***

***observed by many intent onlookers.*** As the disciples strained to catch a last glimpse of Jesus, a cloud hid Him from their view, and two angels appeared and promised Christ's return "in just the same way that you have watched Him go" (*Acts 1:11*).

The Ascension of Jesus Christ is meaningful for several reasons:

**1)** It signaled the end of His earthly ministry. God the Father had lovingly sent His Son into the world as a newborn baby born in Bethlehem, and now the Son was returning to the Father. His period of human limitation was at an end.

**2)** It signified success in His earthly

work. All that Jesus had come to do, He had accomplished at the cross and upon His resurrection.

**3)** It marked the return of His heavenly glory. Jesus' glory had been veiled during His sojourn on earth, with one brief exception at the Transfiguration (*Matthew 17:1-9*).

**4)** It symbolized His exaltation by the Father (*Ephesians 1:20-23*). The One in whom the Father is well pleased (*Matthew 17:5*) was received up in honor and given a name above all other names (*Philippians 2:9*).

**5)** It allowed Jesus to go to prepare a place for us in His Father's House (*John 14:2*).

**6)** It indicated the beginning of His new work as High Priest (*Hebrews 4:14-16*) and Mediator of the New Covenant (*Hebrews 9:15*) sitting at the right hand of the Father.

**7)** It set the pattern for His return or appearance in the clouds for the Rapture of the Church, His Bride. Later, at the End of the Great Tribulation when Jesus comes back to the Earth, completely, and sets His feet on the Mount of Olives, Jesus will defeat the AntiChrist, then set up His Millennial Kingdom (*Acts 1:11; Daniel 7:13-14; Matthew 24:30; Revelation 1:7*).

Currently, the Lord Jesus is in heaven. The Scriptures frequently picture Him

at the right hand of the Father - a position of honor and authority (*Psalm 110:1; Ephesians 1:20; Hebrews 8:1*). Christ is the Head of the Church (*Colossians 1:18*), the giver of spiritual gifts (*Ephesians 4:7-8*), and the One who fills all things (*Ephesians 4:9-10*).

Scoff at Christ's imminent return and mock the appearance of Jesus in the clouds at your own peril. For the Rapture will be the greatest witnessing event ever performed before a disbelieving world. And when it occurs, much sooner than the world realizes, and millions disappear before your very eyes, perhaps to even rise up into the skies above in the same fashion as Jesus depicted in His

ascension back into Heaven so as to capture the attention of everyone on Earth, then no one will be able to say, at this coming future moment, that God is not real or that the Christians were fools. No, at that time, everyone left behind will be very afraid, knowing that they were the fools who refused to believe in Jesus.

Don't be a fool. Believe in Jesus, now, and escape the hour of God's Wrath to come. Go with us when Jesus returns to get His Bride, the Church of true believers and followers of Him, His Way, His Truth, and His Life, which becomes Eternal Life for all who will humble their hearts before Him and accept Him as Messiah; as the Christ who died upon the cross, fulfilling over

300 prophecies from the Old Testament, then was buried, and rose from the tomb on the third day. Jesus lives and He is the only Son of the True & Living God of Israel, and He sits at the right hand of His Father in Heaven awaiting the moment that the fullness of the Gentiles occurs and the Father says to His beloved Son, "Go and get Her. Get your Bride! Bring my children home."

Satan is the first to scream "Separation of church and state!" Why? Because he knows that any nation without God at its helm is a nation he can, totally, control. Those who think separation of church and state is a good thing only consider that they don't want the government

telling them how to worship and what god they should bow down to, which may seem perfectly reasonable considering the pantheon of false gods the world has and is, currently, idolizing, at the expense of their people's eternal souls. However, if you are not worshiping the true God of Heaven and His Son, Jesus, then you will forever be lost.

Since all of these people who worship false gods suffer from severe ignorance, having not read the Bible, they are clueless about the very fact that Jesus, Himself, will rule and reign with a rod of iron from Jerusalem for a thousand years when He returns at His Second Coming. That will be a complete unification of "church" and

state. Jesus is King of kings and Lord of lords. You will bow down to Him and only Him, or you will suffer the consequences. There will be no other god or king on the Earth, during His millennial reign, unless they submit to Jesus and His Righteous rule.

Of course, leading up to the Millennial Kingdom, it is perfectly understandable that Satan, who rules this Earth for just a little while longer, wouldn't allow a Christian nation to remain so, which is why America must be destroyed before the AntiChrist appears. While the Demonrats are doing a good job of it with their Marxist, Socialist, and Communist manifestos within our hollow halls of injustice, the RINOs are, equally,

guilty and corrupt in the greed and power hungry departments that have helped drain America's great wealth till we're over 35 trillion dollars in debt. America will never recover from this. The fix has been in for a very long time, and Washington D.C. is one of the most corrupt dens of iniquity this wicked world has ever known. Rome is envious.

It's difficult to say where the first cut was made or where Satan entered into the beast system that rules Washington D.C., but I assure you that the Devil has always been here. The reason we are looking at the final nail in America's coffin, however, is not for all the evil that has been done against us or even by us, but rather because

all the so-called good people and Christians didn't speak up. We didn't speak out. We didn't stand up and shout when each and every, seemingly, slight assault against our Christian nation and Almighty Father in Heaven was thrown back in our faces as quickly and easily as the removal of prayer in school. The separation of church and state was used against us to ensure that even the One True God was removed from Congress, Capitol Hill, and the Whitehouse. When you remove God and His 10 Commandments, but don't stand equally against Satan, then you are only signing your own death warrant. You have hung your head and, quietly, entered the box cars that will take you to the camps for your

fumigation, your re-education, or your decapitation. Remember, all it takes for evil to triumph, is for good men and women to say nothing.

It is no different than those who scream for gun control and become deranged, blathering idiots as they attempt to change the Constitution or pass one more law to make owning a weapon beyond difficult, if not impossible, yet these same liars and deceivers won't come out from behind their walled security compounds without their own very well-armed paramilitary special forces that will quickly subdue or kill you, if you threaten this elite demonic horde with the truth. They are evil hypocrites and liars and want to control you, at

best, or slaughter you once you've given up your right to defend yourselves. The day...or night is coming. Call them Fascists. Call them Communists. Call them Marxists or Socialists. Enough with the redundant name-calling. Call them what they truly are: Satanists.

Satan will completely destroy America, if no one stands up and speaks out against the evil that is destroying it like a cancer from within. The Communists said they would destroy America without firing a shot. So far, they are right. Who among us is brave enough to risk their job and cushy lifestyle, their pension, their homes, or even their lives so as to warn the others and help wake up the

fools who hate politics and don't want to be bothered in helping to run the country, but instead have no problem in allowing ignorant fools to ruin America by their apathy, laziness, and unwillingness to get involved.

Unwillingness to vote, properly, for a moral, ethical, and principled politician assuming you can find one.

Unwillingness to hold office, themselves, because it will conflict with all the Earthly desires of the flesh that distract you from participating in the very government that rules over you.

Like millions of muddled frogs in a slowly heated pot of now-boiling effluent, we have cooked ourselves into a rancid stew of swamp-infested

sin, moral depravity, sexual deviancy, corrupt corporate greed and putrid political perversions with nary a peep out of the nations' pulpits. When you turn your backs on God or kick Him to the curb, then it doesn't take long before "anything goes" becomes the new selfish mantra being shouted from all the high places and our country tis of thee ain't no more, and His grace will no longer shower down upon purple mountains or amber waves of grain. Anything goes means everything goes, eventually, for without adherance to God's law, when man thinks he can make better rules for living, then very soon the fear of the Lord disappears and, suddenly, wisdom follows with Him as wicked men run and ruin the world while the

people groan and all the sad, selfish, sinful humans are sucking at Satan's socialist teat where equality is ensured and every little pig is a rutting runt. The great Whore of Babylon has, finally, bankrupted our once God-fearing, God-blessed nation; financially, morally, and spiritually.

Those who don't allow preachers, pastors, and church leaders to talk politics from the pulpit are the same Satanic powers who know exactly how to divide and conquer a nation. They pit one group against another, then stir the pot. Ethnos against ethnos as the Bible calls it. Each ethnic group is pitted against another as though we're not all from the same human race. We all bleed red. Although, the foolish

elites think their perceived blue blood is special. It is not. In fact, blue blood lacks oxygen, which is necessary for life. The blue bloods are always the bringers of death and destruction as they trample on the rights and lives of the peasants and deplorables they despise.

You must know your God-given rights, know your Bible, know your Constitution, America, and know that when you do not stand up for the rights of everyone, then you are doomed to lose your own, eventually. In America, we should all bleed red, white, and blue. If not, then leave this country and stop trying to destroy what you hate. Though it's probably too late for that, now, I assure you

that one group is going to leave, sooner than later, and those who are left behind will, suddenly, realize who was really the heart and soul of America. The hard-working, blue collar, cross-kneeling, flag-waving, true America patriot and follower of Jesus Christ, Our Lord & Savior. And when He comes to take us home to be with Him, forever, His hand and His Father's hand will no longer protect this once great Christian nation that was founded upon Biblical principles, Christian morals and values, and the Mosaic Law as written in Holy Scripture. When you leave God out of it, there is nothing good in it, for you cannot spell good without God. You cannot be good without God. And none of us are good without God. So,

when the Christians are taken out of America, the whole world is going to Hell, fast.

In the poem "*First They Came for the Communists*" it reads, quote:

*First they came for the Communists  
And I did not speak out  
Because I was not a Communist*

*Then they came for the Socialists  
And I did not speak out  
Because I was not a Socialist*

*Then they came for the trade unionists  
And I did not speak out  
Because I was not a trade unionist*

*Then they came for the Jews*

*And I did not speak out  
Because I was not a Jew*

*Then they came for me  
And there was no one left  
To speak out for me*

This powerful poem by Martin Niemöller was written in 1946, a little too late to be helpful. Niemöller was a former junior officer in the German Navy who became a German Lutheran Pastor. He was known for his pacifist beliefs and is perhaps most famous for this poem. Sadly, it was written after the war, after the Holocaust, and long after all the atrocities perpetrated by the Nazis.

It is about the silence of German

intellectuals and clergy—including, by his own admission, Niemöller himself—following the Nazis' rise to power and subsequent incremental purging of their chosen targets, group after group. Niemöller was an anti-Communist and supported Adolf Hitler's rise to power. But after Hitler rose to power and insisted on the supremacy of the state over religion, Fascism at its worst, Niemöller became disillusioned. He became the leader of a group of German clergymen opposed to Hitler. In 1937 he was arrested and eventually confined in the internment camps Sachsenhausen and Dachau. He was released in 1945 by the Allies. Niemöller continued his career in Germany as a cleric and as a leading

voice of penance and reconciliation for the German people after World War II.

Niemöller made confession in his speech in Frankfurt on January 6, 1946, of which I'll read a partial translation. These are Niemöller's words:

*Quote "...the people who were put in the camps then were Communists. Who cared about them? We knew it, it was printed in the newspapers. Who raised their voice, maybe the Confessing Church? We thought: Communists, those opponents of religion, those enemies of Christians—"should I be my brother's keeper?"*

*Then they got rid of the sick, the so-*

*called incurables. I remember a conversation I had with a person who claimed to be a Christian. He said: 'Perhaps it's right, these incurably sick people just cost the state money, they are just a burden to themselves and to others. Isn't it best for all concerned if they are taken out of the middle [of society]?' Only then did the church as such take note.*

*Then we started talking, until our voices were again silenced in public. Can we say, we aren't guilty - responsible?*

*The persecution of the Jews, the way we treated the occupied countries, or the things in Greece, in Poland, in Czechoslovakia or in Holland, that*

*were written in the newspapers. ...I believe, we Confessing-Church-Christians have every reason to say: mea culpa, mea culpa [My fault]! We can talk ourselves out of it with the excuse that it would have cost me my head if I had spoken out.*

*We preferred to keep silent. We are certainly not without guilt/fault, and I ask myself again and again, what would have happened, if in the year 1933 or 1934—there must have been a possibility—if 14,000 Protestant pastors and all Protestant communities in Germany had defended the truth until their deaths? If we had said back then, it is not right when Hermann Göring simply puts 100,000 Communists in the concentration*

*camps, in order to let them die. I can imagine that perhaps 30,000 to 40,000 Protestant Christians would have had their heads cut off, but I can also imagine that we would have rescued 30–40 million people, because that is what it is costing us now."* End quote.

The "*sick, the so-called incurables*" were killed in the euthanasia programme. Communists, socialists, schools, Jews, the press, the Church or any group you may not think you need to care for, now, will haunt you, later, when you, too, are finally taken away to be cleansed from a society that no longer recognizes you as human. Because you won't speak up, now, against Hamas and these

ignorant university professors and protestors screaming "*From the river to the sea!*" yet they can't even identify the river or the sea. These entitled, spoiled brats who yell for genocide against the Jews, though they claim to be against genocide against the Palestinians, which isn't happening. There is no genocide against the Palestinians.

So, where is your voice in this very serious matter? Your silence is deafening. Your apathy is cancerous and terminal. Your selfish indifference will come back like a boomerang of bile and vitriol, slapping you in the back of the head, like a 9mm final solution for those who were too cowardly to stand when they could, to

Speak out against the demons beating the drum of anarchy, of Communism, of Fascism, of Marxism, of Socialism, of Satanism...to be a true American patriot or Christian willing to suffer and die for the truth of all God considers holy. All humans are made in the image of God, no matter how evil their brainwashed minds and hardened hearts have become. We must stand up and stand with every imager of God who cannot stand for themselves.

And we must always back Israel, for the recent demonic craze that has swept around the world since October 7th of 2023 is the latest Satanic shot heard 'round the world in this new world order that seeks to destroy all

humans. Until you wake up and realize that Satan is real, God is real, the Bible is true, and all the prophecies will be fulfilled exactly as they are written within the text of God's Holy Scriptures, then you will be doomed to death and destruction as well as an eternity in Hell. Wake up!

If Biden wins, again, whether legitimately or stolen as it was in 2020, then America is doomed. Of course, Satanists say the same thing about Trump who is also not our savior, although, if Trump wins, I believe there might be a small reprieve from immediate judgment by an angry and just God who will take vengeance upon those who have not only turned their backs on Him, but on

His Chosen People, Israel. If America continues to slide into the Satanic cesspool of all those in the United Nations who oppose Israel and shout apartheid and genocide, plus a thousand other lies, then America will receive its very just rewards as God turns His back completely on us.

It is inevitable, eventually, for America is not mentioned in the Bible's End Times scenario of prophecies that are soon coming to fruition and will continue to be fulfilled until Jesus Returns. The most we can do is stave off a sudden judgment, which I'm certain will occur, if Obama is re-elected for a fourth term. At least with Trump, you'll have a friend of Israel who will stand against Iran,

Russia, and the Islamic menace that threatens not only the Middle East, but our very weakened core of Christian faith, morals, and values. Every time you build a mosque, here, you are destroying America. With every illegal immigrant from Islam that you allow to invade our nation, you are throwing America to the wolves.

Islam wants to destroy America. Believe them when they shout "*Death to America!*" Have you not been paying attention since 9-11? Most people have already forgotten the atrocities of October 7<sup>th</sup>, last year, in Israel when demons poured across the thin dividing line between Hell and the Promised Land. Israel is tiny, but has the power of God Almighty behind it.

America used to have that blessing. Today, I highly doubt it. Israel will not be destroyed by Islam nor will they ever be forced to disperse across the face of the Earth, again, though everyone wants to annihilate the Jews. I know this because I know my Bible. The Holy Spirit assures me that I can trust in God's Holy Word, completely.

However, while tiny Israel is protected by the one and Only Creator God, America may no longer have that luxury. After millions and millions of babies murdered in the womb, plus funding and supplying a Satanic Islamic horde so they can make nuclear weapons in Iran, which will be used, first, on the apple of God's eye, well, you get my point. And no,

America is not, now, nor ever was the apple of God's eye. Israel is the apple of God's eye. America was just a big stick to help keep the wolves at bay and away from the Good Shepherd's sheep. But God isn't happy with America, these days. So, "*Bye, bye, Miss American Pie!*" God does not bless those who curse His People. When you vote demons into office who oppose sending funds and arms to Israel, then you are poking at the apple of God's eye and daring Him to do something about it. And He will. If you cannot stand up for Israel, speak out against Hamas and all terrorist, Fascist, and Satanic opposition to God's Holy People, then you are dooming yourself, your family, and your country to total destruction.

America is not named in the Bible's End Times prophecies for a reason. Could it be because we turned our backs on Israel? It would seem so by all the political side-stepping, since October 7, 2023, that cannot take a strong stand for our Middle East partner after its rebirth in 1948.

Now, I hope and pray, everyday, that God will still bless America. He can do anything He wills, for God is sovereign and He has no equal. However, if the time of the Gentiles has run its course, meaning the fullness of the Gentiles is nearly complete, then Bible prophecy will be fulfilled and Jesus will be sent by the Father to take His Bride to the Marriage Supper of the Lamb in Heaven. The Rapture of the Church of

true believers in Christ Jesus is imminent.

No man knows the day or hour of this snatching away of God's children, but the season is ripe. This is why I warn you that you must get your heart right with God. Believing in Jesus is the only way you can and will be saved from the Wrath of God to come. Jesus is our Blessed Hope. Jesus is the Messiah. Please believe in Jesus and humble your heart before Him. Don't listen to the lies of Satan. Don't put your faith and trust in politicians. Washington is the problem, not the answer. Jesus is the answer. Stop being distracted by the world. Stop being led by the lusts of your flesh. Give your heart, mind, soul, and

strength to Jesus.

If you keep listening to all the talking heads shouting at each other about what "he said, or she said," then you're being fooled because that's what Satan wants. He wants you distracted and looking for a solution from humans. He wants you to seek a political answer to a spiritual problem. He wants you afraid. We are not battling flesh and blood, we're battling demons and Satanic powers and principalities in high places. It is evil. It is light versus dark, period. If you do not wake up to this and start praying to the right God, then America is doomed, you are doomed, and the whole world is doomed.

I have told you of the only hope for humanity. It is not fixing Climate Change by driving electric vehicles. It is not saving the planet by erecting another wind turbine or thousand acre solar array. It is not a one world order that is lead by the World Economic Forum or the United Nations. The U.N. is your enemy. Globalism is your enemy. Ecumenicalism is your enemy. The idea behind a New World Order is not new. Nimrod tried it when leading the post-flood people in attempting to build a tower to Heaven because he was angry at God and wanted to ensure that another Great Flood couldn't destroy his little human empire. Nimrod's tower was leveled and all the people's language was confounded by God so they could no

longer understand each other, plus the Lord scattered them to the four winds across the face of the Earth. Besides, the destruction of the Earth and cosmos will be by fire, next time.

Go ahead. Get angry at God and shake your hand at heaven. Make your plans. God just laughs. You cannot defeat God. You can only obey Him or disobey Him. It is wise to obey Him whether you understand Him and His Law or not. Whether you like His rules or not, they are His rules because He is the Creator. It is His house. He owns everything. Believe it or not. You will never be higher than God. Satan has tried for 6 thousand years and he will be tossed, eventually, into the Lake of Fire for

eternity. You cannot fight God and win. Stop being absurd and wake up!

Here is how you achieve peace, joy, contentment, and great love for the Lord: First, open your mind and heart to the possibility that you might be wrong in how you have perceived God. No matter what you think you know, or have heard, or have been taught, we are all sinners. No one is good. No not one. Only God is good.

God is supernatural. So, if you refuse to believe in supernatural things, then you will never believe in God. You must be able to recognize that God is a supernatural power that is outside of time, space, and all matter, who is the First or Primary Cause of all that you

see and experience with your senses. God created all things for His pleasure. Even if you do not understand it or Him, that isn't nearly as important as accepting that an all-powerful, all-knowing Spirit that is Eternal, Infinite, and Uncreated, Himself, is truly the Creator God of the Bible who has made all things including Humans.

You must accept that the Bible is true. It is God's message to all humans revealing who He is and what He has done, is doing, and will do through prophecy as He proves who He is when every prophecy is fulfilled exactly as He said it would be, literally, which only He can do. No one else has ever or will ever do this. No other being has ever prophesied all that the

Bible contains and, continually, reveals as fulfilled prophecies with hundreds more to be fulfilled in the days, weeks, months, and years ahead. Ignorance is your #1 enemy. Willful ignorance, though, is because of pride, arrogance, and stubborn refusal to submit.

Believing in God requires a leap of faith, for no matter how close you can get to realizing He exists through science and the finely-tuned universe and Earth upon which we live, plus the many eyewitness accounts of Jesus, you must allow your heart to make that leap of faith to close the gap. It is only through faith that you will know God. It is only through faith in Jesus, that by God's grace, you will be

saved.

Remember, Enoch Was Not...for God TOOK him! His faith and fellowship with God allowed him to escape the wrath of the flood. Wouldn't you like to escape the Hour of God's Wrath to come as it has been foretold for millennia? I would. I will. For He is Faithful & True. He is my Lord & Savior. Jesus is my Blessed Hope. "Blessed is He who comes in the name of the Lord!" Baruch haba b'shem Adonai!"

***THE LAST HOUR EPISODE CLOSE***

***SFX:***

Clock ticking...Last Hour  
Chime...ticking...

*This is The Last Hour of the Last Day before the End Times that God's Holy Scriptures describe. He has warned us from the Beginning, so the End will not make us afraid.*

*Fear not. Seek Him and keep looking up, for the Kingdom of God is near, and Jesus is coming, soon!*

I will pray for you that you make the right choice. Choose Jesus. Choose life, eternal. Till we meet, again, this side of Heaven, I ask that God bless you and be merciful towards you, always. Amen.
