Episode #6

"Forgiveness"

November 5, 2024

NOTE: This translated text is longer than the recorded version, which had to be edited down. Sorry. I was very tired and sleepy. I'll listen and correct this,

later, as soon as possible. Till then, enjoy my rant, if you can. Otherwise, please forgive me. May God bless you, always!

God is real. The **Bible** is true. And **Jesus Christ** died for you. Do you know **Jesus**, personally, as your **Lord & Savior**? I hope you do, for we're in the *last minutes* of ***The Last Hour*** of the ***Last Day***, and **Jesus** is coming, soon! Are you ready?

Today is Election Day in America. I'm standing here at my back sliding glass door to the porch looking up past my Dad's barn and at all the Fall leaves swirling about in a brisk November wind, like a little whirlwind of frolicking color, just dancing about in the

morning sunlight.

It's another very beautiful day, here in Appalachia. West-by-God-Virginia. Almost Heaven! Where many a mile of country roads take me home just like John Denver sang so beautifully. I hope he made it to heaven. Such a talent. Thank you, Lord, for all things so wonderfully made!

My last podcast was all the way back in early September. Not much of a podcaster, huh? You're right. I'm not. I thought I might be, long ago, when I first contemplated the idea. The spirit was willing but the flesh is weak. Oh, Lord, I had different plans, but then I shared them with you and you just laughed. The Lord has a great sense of humor. He has to in order to

tolerate humans. A sense of humor, patience, tolerance to a point, and most of all...forgiveness. But I'm not complaining. You should be happy about the fact that you have less of me to hear blathering my opinions. Either way, please forgive me.

That's what today's episode is about. Forgiveness. I love that ol' Don Henley song called "The Heart of the Matter" that he released back in 1989. I was still a, relatively, young radio D.J., at that time, and oh, how I loved music. To tell a story, to elicit emotion, to help us grieve, to love, to forgive and move on. I'm not a musician or much of a singer, but in my head, I sound great!

Here's the portion of Henley's song that pertains to forgiveness, which I will merely recite and not ruin for you with any attempt to sing it. I do suggest you listen to it, though, when you get a chance. From "Heart of the Matter," here are just the chorus lyrics: Quote:

"I've been tryin' to get down
To the heart of the matter
But my will gets weak
And my thoughts seem to scatter
But I think it's about
Forgiveness, forgiveness
Even if, even if
You don't love me anymore."

End Quote.

The Eagles were one of my favorite bands; then Henley, solo, always a great songwriter and performer. I hope they all make it to Heaven, but we hear of such sordid, scandalous tales about celebrities, singers, bands, actors and such that if they do not repent and believe in Jesus, well, let's just say that Hell will be overflowing with many talented souls who got it all wrong. Can you say Diddy? Even Diddy can be saved. So can Putin. So can you. Think of the most evil, depraved, wicked person who is alive, today, and know that God can and will forgive them, IF they will truly humble their heart before Him and repent. Turn away from your sins, and believe in Jesus Christ to be saved!

Many horrible, evil tales about so many in Hollyweird have, occasionally, reared their ugly heads over the years like Nessy, the Loch Ness monster, or a glimpse of BigFoot, or an alien abduction. Rarely sighted for real, but oh, the whispers about their authenticity keep rippling out from the last time they deigned to show up, to arrest our attention from the rest of this wicked world, which might be why they exist. We're so distracted by every other atrocity, that we can't even see what's happening under our noses. The stench should be so great, however, that everyone should know, by now.

I know evil exists, there is no doubt. I know there is a Devil. That Satan is

not real was one of his best lies. Most are deceived, but some of us know better. I only hope and pray that there will be a great awakening across America and around the world, soon, as millions upon millions humble themselves before the One True God, Lord & Savior of all Creation, Jesus Christ, the Son of God, the Mighty One of Israel. Only He is God. There are no others. He has no rivals. And there is no other way to Heaven. Jesus is the Way, the Truth, and the Life. No one comes to the Father in Heaven, except by and through Jesus.

I hope they all repent. If they are sincere and can, truly, humble their hearts before the Lord of Mercy, of Infinite Love, Wisdom, Justice, and all

Righteousness, then if He says they're forgiven, so be it. The Lord has spoken.

It is not for me to judge another human. I am a wretched sinner saved by the Grace of God. Our most loving, merciful, forgiving Father in Heaven who taught us how to love by loving us, first, when we all were His enemy. When we were wallowing in our wickedness, ignoring Him and His Creation, which includes us, and defying Him, dishonoring Him, disrespecting Him, physically and vocally, taunting Him and using His Holy Name in vain. We are such pathetic creatures.

Last week, it was proven that a tiny

squirrel or raccoon has more charm, grace, and dignity than we do, most days. And to show just how pathetic many humans are, they cry out in uproar, still, against the New York government's barbaric, cruel, and evil abduction and murder of Peanut & Fred, the pet squirrel and raccoon that have been all over social media for days, now, yet these same self-proclaimed lovers of life, virtue, and justice can rarely and barely be bothered to even speak out against the 3,000 babies murdered in the womb EVERY DAY!

Are you hearing me, now? Or have you already turned away? Turned me off. Turned me down. Ran for the exit. 3,000 human babies murdered

in their mother's womb, every single day in America alone, which totals well upwards of 70 million since Roe Vs. Wade was signed into legislation. Millions more, worldwide, of course.

It is purely Satanic. Satan HATES humans. We are made in the image of God. The Heavenly Host (angels /messengers) are not made in God's image. Humankind is special. Of all created beings, humans can be redeemed unto God by the Blood of the Lamb, Jesus Christ.

When sin was found in Lucifer (the covering cherub in God's throne room), his pride caused him to sin and covet the same worship and praise our Holy Father receives, but God is the

only One who is worthy. Though Lucifer was the most intelligent and beautiful creature God had ever made, the Lord cast this covetous cherub out of Heaven. The Lord of Hosts is Holy and no sin is found in Him or in His divine presence.

Lucifer, going to and fro upon the Earth and accusing all mankind, resents and despises humans. If Lucifer (ha satan/the adversary) could not be like God, then he would do everything in his power to hurt God by harming and destroying the creature God loved most: man. Satan was a liar, a thief, and a murderer from the beginning. He deceived Eve by causing her to question God's motives and commandments. It worked so

well that Satan has never needed to change his tactics. Because of our inherent sin nature, humans are easily deceived into believing we can have all the world seems to offer, if only temporarily.

However, we fail to read the fine print on Satan's Faustian contract for our soul. Rather than believe in God and deny our lusts of the flesh while on Earth, we crave instant gratification, now, yet lose out on Eternal Life with God in Heaven, later. Thus, all souls of the Left Hand Path (wickedness) seek darkness over light because they love evil and refuse to seek the truth, which is the righteousness of the Lord.

The Holy Scriptures read: Seek, first,

the Kingdom of Heaven...for the fear (being in awe) of God is the beginning of wisdom. There's much more, of course. The Bible is thick with wisdom. It is God's love letter to mankind. He loves us so much, that He sent Jesus to die for us that we can be saved from darkness and eternal damnation in Hell, which is torturous separation from God, forever.

So, why are Democrats or anyone obsessed with abortion? Because of: ignorance and deception, at best, or they love evil and wickedness, at worst, shunning the light of truth in Christ Jesus. Jesus is the Way, the Truth, and the Life. No one comes unto the Father, except by Jesus. All have sinned and come short of the glory of God. We are all condemned

from birth, being born into a sin-cursed world. No one is good. No, not one. Unless a man be Born Again - first of water (mother), then of the Spirit (Holy Spirit/God) - he shall not enter into the Kingdom of Heaven.

Recognize that you are a sinner. Admit it. Believe in Jesus, that He is the Only Son of the One & Only Most High God (Our Father in Heaven), and that Jesus came to Earth, died on the cross, was buried, then rose again on the third day. Jesus, who knew no sin, was made to become sin that He might be the perfect sacrifice and pay our debt to God. The Blood of Jesus Christ atones or covers all the sins of all mankind from all human history and for Eternity. Jesus (His name

means Salvation) knew no sin, but He lived as a man for 33 years and was tempted as we are, yet He never yielded to temptation. He was and is the perfect Lamb of God. The perfect sacrifice.

Jesus lives, now, sitting at the right hand (righteous hand of power) of the Father in Heaven. He is both fully man and fully God (Holy/Divine). Jesus is one part of the 3-Person Trinity: God the Father, God the Son, and God the Holy Spirit. God is eternal, the Alpha & Omega, the Beginning & the End. God is the Creator. He always was, is, and will be. God is not a created being. We are created beings. Satan is a created being. God is the Almighty Creator of

all created beings.

When man's sperm meets and fertilizes woman's egg, the spark of light that is conception (creation) is proven. It is seen. Science knows this. Abortion is murder! No true Christian can be a Democrat. There is no debate, here. This is murder most foul. It is the most despicable crime against all mankind and, more importantly, against our Heavenly Father. Humans are made in the Father's image. He tells us that in the Beginning, the Father, Son, and Holy Spirit decided to make man in their own image. One of the 10 commandments is Thou Shalt Not Murder! Yet, more innocent human lives have been brutally stolen in

modern times than in all of the ancient world's centuries of wicked pagan practices combined. Pro-Choice is NOT Pro-Life. Many Republicans are Pro-Choice. That's not good.

Back in the Days of Old, when the Bible was still being passed down, orally, within the twelve Tribes of Israel, or on the many scrolls they fastidiously and meticulously wrote and copied, carried, and protected because they held the Holy Word of God as inspired by the great Holy Spirit, and the Jews knew to revere these documents, the truth was known. There was and is no excuse. Murder is murder and abortion is just a way to avoid saying Murder!

Even the Jews failed their Father in Heaven. If God's own Chosen People fail, then what chance do any of us have to please Him? That's a very easy answer. We can't. No one is good. No not one. For all have sinned and come short of the Glory of God. Being the omnipotent, omniscient Creator that God is, however, He knew even before His Spirit moved above the waters and He divided them to allow dry land to appear; even before any living creature had been made, God knew every single one of us, every detail of our lives, and whether we would believe in Him and obey Him, or whether we would choose darkness and always seek the shadows to act out in evil, horribly wicked ways against His purpose. Just

because God foreknew, doesn't mean He isn't allowing us Free Will to choose. We have Free Will. It is up to us to decide whether we'll love God and obey Him by following His commandments, or whether we'll reject Him and all He stands for by seeking to steal, kill, and destroy everything and everyone He loves. With that understanding, God knew He would need a plan of redemption. Mankind cannot live up to God's Righteousness, by itself. No one can attain God's level of Holy Perfection.

So, even before the first plant or animal was made, God the Father, God the Son, and God the Holy Spirit - the Holy Trinity - agreed that the Son would come to Earth and take on the

human flesh that His Creation would wear, so that He could experience all the things that humans do, and that would allow Him to, properly, judge us, fairly, when the Day of Judgment came.

Better yet, because of His great love for mankind, God asked the Son to give His life upon the cross by taking on the sins of the entire world, from the very beginning of humankind until its last day in future history.

Naturally, being completely aligned with God the Father and God the Holy Spirit, God the Son said "Yes" and completed His mission of love upon that old rugged cross on a hill far away. In Jerusalem, God's Holy City of Peace. Zion. Which is where we

get the perfectly understood word Zionist. This is not an evil word. Only humans who lie, cheat, still, and kill will say such things. Only ignorant fools will say such things. To be a Zionist is to desire Jerusalem to exist for the sake of the Jews to whom it was given. The Holy Land was promised to the Jews by God. It was never Palestine. But don't get me started on that. I'm trying to talk about forgiveness, here, and bringing up the so-called Palestinians, a fake people trying to cling to a fake land while screaming genocide at the true inheritors of that land given by God, well, you can see how there's a serious issue with forgiveness on both sides of this ancient issue. Ishmael and Isaac's hatred go way, way back.

But Zion. The City of Zion, God's Holy City, is the City of Peace or will be, one day. It was 2,000 years ago, in Jerusalem, where the Prince of Peace, Yeshua HaMashiach, Jesus Christ, would willingly sacrifice His life in the flesh, be buried, then by the mercy, grace, love, and all-powerful Will of God, rise again from that now-empty tomb, then ascend back into Heaven to sit beside the Heavenly Father that the Son might be our mediator, our intercessor, our friend in high places, our elder brother and Firstfruits of the resurrection.

Jesus sits there, to this day, on the edge of His seat, I believe, on the edge of the great throne beside the

Most High, the Ancient of Days, and our Lord & Savior is eagerly waiting to hear the Father say, "Go and get Her, my Beloved Son! Go and get your Bride!" Then Jesus will be in the air in the twinkling of an eye as the trumpet sounds and the archangel readies the Bride of Christ, bidding Her to "Come up, here!" Change the details, if you must, but the overall effect is this: We are going home! To our true home! And the Bridegroom is coming, soon! Are you ready for your wedding day?

I mentioned Election Day, earlier, and I know I could ramble on about politics, forever, and I realize this is very late to even bring this up. I'm not saying it, necessarily, expecting it

to impact someone to do as I suggest, but merely for the record so in looking back, perhaps, those who listen, later, will know where I stand and how I feel about it. Your walk with God is yours, alone. Work out your salvation with fear and trembling. I've got my own issues to deal with. I hope and pray you figure it out, though. And I hope God blesses each of us, regardless. But I wrote a text or post for X (the social media platform formerly known as Twitter, where I urge you to follow me, if you wish, as I tend to post, daily, there); anyway, I was responding to someone on X about why 30-40 million registered Christian voters don't bother to vote, each election.

I don't intend to offend, but I don't shy away from telling the truth or speaking my mind, whether both of those are in sync at any particular moment, though I try to only speak the truth as I know it. I am human, so I will be wrong, at times. Take it for what it's worth, or block me and ignore everything else I say, if you think that solves your issues with me having an opinion that may not agree with yours. C'est la vie. Such is social media.

So, here is my blunt, harsh, and not so compassionate response to why up to 40 million so-called Christians do not vote:

"I'm tired of hearing about "christians"

who refuse to vote for any number of reasons. In the name of Christ Jesus, I rebuke these imposters.

Any so-called "christian" who refuses to do their duty, and honor their God-given Right in this country to VOTE for our leaders, for any reason, only shows that they do NOT understand God's Holy Word or His will for our lives. Period. These are either very ignorant and weak Christians, or they are not true Christians at all. A solid, mature, Bible-reading Christian knows how to stand up, speak out, and do what's necessary to ensure the safety of family, friends, and country. We're at a critical time where timid, soft hand-holding won't get 'er done!

We will all stand before the Lord, someday. I pray these so-called Christians wake up and go vote, before they find out the hard way that the only reason God is staying His mighty hand of judgment upon America is because of the millions of prayers we've been sending up to Him, daily, for years, now.

I hope you vote, today! God heard our nation's prayers and saw our repentance, and is giving us an opportunity to put feet on our faith. God uses our hands, our feet, our minds, and our hearts to do His Will on Earth. We are in His Army. Act like it, soldiers! Stop ducking and covering and cowering in your shallow-minded foxholes.

A brave man once said "FIGHT!
FIGHT! FIGHT!" While you're waiting
on the Lord to do something, He's
waiting on you to do something. The
RIGHT thing. If you're not willing or
capable of fighting for what's right,
then you have no reason to complain
for all the wrong you allow to occur on
your watch. I don't wanna be LEFT, I
wanna be RIGHT! So, vote, or you're
going to look just like Little Tampon
Timmy when he shirked his duty and
ran away from the FIGHT! God grants
us government, that He ordains and
allows, and He expects us to take
responsibility to steward our nation
accordingly. Those who abstain from
voting as some sign or gesture against
that very government's incompetence,

corruption, or conspiracies against the citizens in carrying out their assigned duties, according to God's purpose for We the People, are not defying the government, but instead are defying God.

You will be held accountable. Our own Republic's Constitution DEMANDS that We the People DO OUR DUTY and overturn any duly elected government that refuses to govern, properly, according to our laws, true, but more importantly according to GOD'S WILL for us. Abstention from voting is, actually, a dereliction of duty, and cowardice. It shows apathy, laziness, indifference, and ignorance of our civil, legal, moral, ethical, and God-given rights by His LAW, first, and our

incredibly BRILLIANT Forefathers'
LAWS, the Constitution, and Bill of
Rights!

So, stop whining about the
government and get up off your lazy
fat asses and VOTE! You should be
ashamed of yourselves for NOT voting!
Don't use God as an excuse.

I'm a true Follower of Jesus Christ. I
am a true Patriot who served,
honorably, in the USAF. I took an oath
that is still valid to this day. I will fight
and DIE to defend the USA against
ALL ENEMIES, Foreign AND
DOMESTIC!

If you're not a part of the solution,
then you're part of the problem.

Refusing to VOTE is a huge problem because you're letting the enemy walk in and take everything in your house while you just stand there, pouting, and pointing at the bad people.

Don't be a coward like Little Timmy Walz who cut and ran at the first sign of danger. Yep, you're a lazy, good-for-nothing coward, if you can't be bothered to vote. I said it, I mean it. Vote or shut up! I'm tired of your sniveling crap.

100s OF THOUSANDS of men and women have DIED, been maimed, imprisoned, tortured, and shed blood, sweat and tears for the privilege to live in America. To dare to dream, achieve, conquer, build, work, play,

and fellowship with ONE NATION UNDER GOD, by His authority, for neighbors, families, friends, and millions of dreamers who die, trying to get into a sinking ship, because too few stood up, spoke out, and were willing to FIGHT and DIE for something bigger and better than just themselves.

If you don't vote, then you do NOT know what it means to be an American. You do NOT deserve all the privileges of being an American. You should be deported with all the other criminals, fools, and terrorists who want to destroy this very unique and GOD ORDAINED political experiment that WILL die, if Trump is NOT elected. Show GOD that you truly care about

the one nation He has BLESSED more than any other nation, including His own Chosen People's nation of Israel, so far, or you, too, will lose this precious gift of government, which will be destroyed, scattered to the four corners of the earth, and forgotten by time because you aren't smart enough to realize what He has given you until it is too late.

America's fate IS in your hands. Step up and VOTE as if your life depends on it. It does! Vote for your kids, your grandkids, and all future patriots that would die to be born here, and die to defend our many FREEDOMS! Other than being willing to join the military, to fight and die for America, VOTING is the only other way to be a true PATRIOT. So, GET OUT THE VOTE! Or

get out of my country. I want someone I can trust and rely upon to have my back when the shooting starts.

May it never come to that, but only God knows what's in store for America. I only know that our once great nation is not mentioned anywhere in the Bible. Some scholars suggest that a small hint could be implying America but it's a stretch of even speculation to suggest it. Your best bet is to believe in Jesus and keep looking up, for He is coming, soon!

Another equally obnoxious comment I've seen on X or heard in media for years, now, is that since I'm an old

white guy, then I must be voting for the old white guy because I hate black people. Are you serious? I don't have a racist bone in my body.

I am not prejudiced against Kamallamala because of her skin color. I don't hate Kamal-by-the-Sea because she's a woman. Even her wacky cackle that erupts when she has no clue what to say isn't the main reason I would never vote for da Veep fillin' in for da creep, Unca Joe. I just HATE stupidity. And liars. I HATE STUPID LIARS! There, I said it. And I am not ashamed. Kamallamala is one of the most ignorant people I've ever heard break wind through her mouth. She makes Dan Quayle sound like Robert Oppenheimer, the renowned

nuclear physicist famously known as the "father of the atomic bomb." Trust me, if the election is stolen, again, and God allows it, and Harris is wedged into the Oval Office resolute chair, then she will become the lit fuse on the bomb that blows up America.

Kamallamala will epitomize Oppenheimer's quote 'Now I Am Become Death, the Destroyer of Worlds.' Our world, at least. Our Constitutional Republic. We are NOT a democracy! Yet, as America goes, so goes the world.

Can you not see, hear, and feel that this propped-up clown is being purposefully manipulated to create chaos, during the election, as the steal

is on so obviously, offensively, and melodramatically by the Deep State to, specifically, cause a Civil War?

The Demonrats know Harris cannot win against Trump. We know she is failing, horribly, yet still conveniently tied, neck and neck, in these pathetically contrived fake polls, which only provide the pretext of a tight race so their balloting sleight of hand does not need to be so severe, yet it will be, anyway.

Why? Why cheat, lie, and steal so dramatically in our faces? Watch and wait, for the Deep State will, eventually, start orchestrated riots should they be unable to assassinate Trump before the vote count is

finalized. Unless God stays their evil hands.

Our Globalist elite masters want America to fail and have been manipulating us to that end for decades and, since their patience is running out, they fear the time is ripe to press the petal to the metal before any more solid citizens wake up and smell the covfefe.

In this case, covfefe means coup. They love the smell of a coup in the morning. It feels like treachery, smells like cordite, and tastes like burnt American Pie. Bye, Bye!

But God (one of my favorite phrases in the Bible) may not allow this coup to

reach epic proportions, and by His hand stay the treasonous and murderous intentions of the traitors in our government and scattered throughout the country awaiting that secret signal to set off their charges.

Don't panic, just yet. Don't fear. Don't react to the first signs or shots fired across our MAGA brows. Defend yourselves, but don't go all Gettysburg on our enemies, initially. Let them make that fatal Pickett's charge. Let them make all the mistakes they didn't account for, nor could even conceive because they do not know or fear our God.

But God will allow or disallow any and all things that transpire from this

election. Set your sights on Him, first. Watch, wait, and listen to Him, first. Get your marching orders from Him and not all the well-intentioned patriots who may have some firepower, but not a unified plan to ensure the best outcome. But God can and will.

Pray for our country. Pray for our enemies. Pray that God intervenes in ways only He can and will, if we just repent and turn back to Him, first, before going off all half-cocked when you hear that shot heard 'round the neighborhood. Or see and hear those evil talking heads of the MSM inciting good Americans to fear and take action!

Stop, look, and listen. Twice. Then proceed with caution. Protect yourself, your families and loved ones, and your good neighbors. Use wise judgment. Be prepared. Stock up. Check your supplies. Check 'em, again. Then set a watch.

Stand guard upon that wall that is the truest of Red, White, and Blue. Be at peace with what you know you may have to do. But wait till they come close and be positive it's time to strike. Then unleash Hell upon 'em, and let God sort 'em out.

Pray. Pray some more. Vote for Trump. Watch the polling, the counting, and the lawfare. It could get very ugly, or you may find that

something miraculous occurs. I hope you believe in miracles. I hope you believe in the One True God. I do.

I hope you believe in Jesus. For only Jesus can save your soul. If you truly believe that Jesus is the Son of God, that He died on the cross, was buried, then rose again on the third day, and ascended to Heaven, then you will be saved.

Believe in Jesus, today. For you don't want to wait to have a real come-to-Jesus moment like this monumental election year might provide. Believe in Jesus, now, then no matter what happens, you will know where you're going. And may God bless America, again!

Are you still here? Did the Rapture happen? Are all of Jesus Christ's true believers gone from the face of the Earth? If not, then why haven't you given your life to Jesus, yet? You do not want to miss the Rapture! Do you not realize that He could return before I finish this...

That is how it will be, one day. In one moment, the world will change. The volume of sounds will be diminished. One will be taken and the other left. Trust in Jesus, for you do not want to be Left Behind. No one in their right mind would want that for themselves or the people they love. Sadly, the love of mankind is growing colder and colder, each day, as prophecy is,

rapidly, being fulfilled. How do I know this? I see it, hear it, smell it, feel it all around me, everyday. I read the world news. I watch hundreds of videos. The world is in turmoil. Plus, the Bible tells me so. I've read it. Cover to cover. Spoiler Alert: God wins!

No one who has read the Bible, entirely, and is a friend of Jesus, will disagree with me. God wins and all of His true followers and believers in Yeshua HaMashiach - Jesus Christ - are destined for Heaven, eternal, with Him in all His glory. Hallelujah! Praise the Lord! Oh, many Christ followers may quibble and bicker over secondary details, of which there are many, but true believers with a new

heart and a changed life after being Born Again in the Holy Spirit will know to love their Brothers & Sisters in Christ and just smile. We who believe in Jesus are God's adopted children, now.

Many in the world who do not know Jesus, personally, will make the same claim that they, too, are also God's children; assuming they even believe in a higher power. Truth be told, only believers and followers of Jesus are the adopted children of God. Though all humans are made in His image, the Lord gives you Free Will to choose Him - Life - or choose to follow your own path, which is Death.

You shouldn't let your arrogant pride

and selfish, childish lusts of the flesh and all things in this temporary world deceive you. This first Earth is a throwaway world; a disposable world. When human history has taken its last sinful steps, then this world will be consumed by fire. Holy Fire. Strange Fire. The fire of Jesus Christ who returns to Earth to save His Jewish brethren from the Beast as Satan and all of the world's nations have turned upon the House of Israel that they might rid the world of God's Chosen People, once and for all.

Do the headlines, today, not give you pause, if you're not a believer in Jehovah God? Yahweh. Yeshua, His Son. The name above all names. The news, when you can find an unbiased

source, willing to speak the truth, reports an ever-increasing antisemitism against all of the world's Jewish remnant; from the growing nation of Israel, itself, to the remaining diaspora that is still quite prevalent in the USA and parts of Europe, plus a smattering on all continents and many nations. They have yet to return home to Israel, but more will continue their aliyah - returning home - as the still small voice of the Lord whispers in their ear, "Come back to the Holy Land where you belong. And I will be your God and you will be my people. Come back to Israel and I will protect you. Where you will, one day, say 'Baruch haba b'Shem Adonai!' Blessed is He who comes in the name of the Lord!"

Normally, I begin the podcast with a prayer. The closer you walk with Jesus and allow Him to lead the Way, the more you submit to Him and rely upon His choice for your path, your purpose, your life in total, then the more your daily walk IS a prayer. Step by step. Breath by breath. One heartbeat at a time, which are all a gift from Him, our Creator, Lord, Savior, and best friend, forever.

Besides, God loves when we pray to Him, alone, in silence. In our closet. Be careful of praying out loud in public. God forbid you start to sound and act like some self-righteous Pharisee. You know the type: puffed up, pompous, pretentious buffoons

who desire your praise and offerings because they think they should be the power that stands between you and the Lord. These parasites are bottom-dwelling maggots who can only nibble at decaying flesh. They do not have a real, personal connection with the Lord. If they did, they would know Him. They would know His will. They would know better.

Thank you, Jesus, for dying upon the cross. You conquered Death and the grave, the sins of all mankind, and the master deceiver, himself, Satan. Bless you, Lord Jesus, for you are our High Priest. You are God, Himself. You and the Father are One. It is you, Jesus, who sits at the right hand of Our Father in Heaven, upon the throne of mercy and grace. It is you, Jesus,

whose blood has covered us, so that the Father only sees You, His Beloved Son, in whom He is well pleased, when He looks at me or any unworthy sinner saved by grace, for we who believe are in you, in Christ, cloaked in your righteousness.

You are worthy, Lord, to open the sealed scroll that deeds the Earth and all of Creation to you forever and ever. All the nations will be put beneath your feet, and you will rule with a rod of iron upon the Earth, from Jerusalem, for a thousand years when you will sit upon the throne of David fulfilling prophecy. At the end of your Millennial Reign on Earth, You will sit upon Your Great White Throne of judgment and separate the sheep

from the goats. We blessed sheep who hear Your voice will be, safely, placed on Your right - the side of Your righteousness because of our belief in You. The goats who never obeyed or honored You as Our Creator and merciful Lord will be tossed aside to the left - into the Lake of Fire where the flame is never quenched and the worm never dies.

The Left Hand Path is of the Devil. All who shun the light and seek darkness, always, to hide their evil deeds against you, Lord, will be on Your Left. Are you hearing me, demons? It is not a coincidence that the Left in America and the world are on the wrong path. The path of Satan and his demons. It's obvious for those with ears to hear and eyes to see. Children of the Light

should never fear the darkness, for He who is in us is greater than he that is in the world. Darkness can never blot out light, even the tiniest of lights, for light always illuminates and shows the way home.

Stand tall, Christian Soldier. Stand tall and shine brightly. Do not hide the Lord's light under your bushel. Let the Light of the World shine through you. Do not fear! Fear shows a lack of faith. Oh, where is your faith? All you need is faith the size of a mustard seed; a very tiny amount. Can you not muster a mustard seed-sized portion of faith? If not, then you really cannot call yourself a strong soldier in the Army of the Lord. Time to get your gear on, soldier. Time to

put on all your Armor of God. Time to mount up and let's ride to the front line. This is a battle of Good versus Evil. Light versus Darkness. God versus Satan. Whose side are you on? If you're not for Jesus, then you are already condemned. You must choose Jesus, if you want to live. And please do it, now, for time is running out!

It's been awhile since my last episode. I've been busy with other things like life, family, our little country church, teaching a Bible Study on the Book of Ezekiel (great prophecy in that one), health issues, preparing for our church Christmas play, and blah, blah, blah. Someone said "Why don't you do a podcast every week?" Well, because of all the above. I'm old, tired, and I

don't have that much to say beyond what I have, already. Just listen to one of the other episodes, again. All you need to know is the Gospel of Jesus Christ. When you know Jesus, His Holy Spirit will get you up to speed and reveal everything you need to hear and understand. Listen to Him.

Seriously. Me and my voice, my thoughts...are just another distraction, even if I have good information. Even if you like what I say and how I say it. Don't let anything or anyone come between you and Jesus. As I've said, before, you should be listening to the Lord. Read His Word. Study it, thoroughly. That's a life-long love affair, right there. When you fall in love with Jesus, then His Holy

Scripture will just come alive and make you want to devour it. When you are a true believer in Jesus, then He grants you His Holy Spirit to dwell within you and He changes you. He gives you a new heart. He works on you from the inside. Remember, saving the universe is an inside job.

Saving yourself is impossible. Only Jesus can save you. Believing that He died on the cross, was buried, then rose again on the third day, and ascended back into Heaven to sit at the right hand of the Father, well, when you understand this in your heart - when you believe it and feel it and can't wait to share it with the world - then you'll know for certain that you've been saved. There will be

no doubt. You will be changed. Your old personality will die. Your new personality in the Lord Jesus Christ will shine. His light will be in your eyes. His will shall dominate your walk, your talk, your listening, and how you view the world. You'll see everything from a Biblical perspective.

All of your senses are of His design. He created you. He created everything. He holds all of Creation in the palm of His hand. Someday, after His Millennial Reign on Earth, after the Great White Throne judgment, after all evil is thrown into the eternal Lake of Fire, then Jesus will Create the New Heavens and New Earth. They will be forever. Without sin. A perfect paradise to be enjoyed by a perfect

fellowship with God and His perfect family in perfect love, grace, and peace forever and ever. Amen!

Besides, there are far too many talking heads on TV, radio, podcasts, and every medium under the sun. With technology, today, anyone with a smartphone (worst name ever) can be an influencer reaching thousands to millions of people, instantly. Truly, there are few who can say that they haven't heard of Jesus Christ, or know what the Gospel means, here in 2024. There will come a day in the not so distant future when every soul on Earth will have heard the Gospel of Jesus Christ and know that they must believe in Him, the Son of God, to be saved!

I believe that specific day and time won't happen until the Great Tribulation when Angels fly between Heaven and Earth sharing the Gospel with the entire world. God is so loving, so merciful, so patient and long-suffering that He wants no one to perish, but have everlasting life with Him in Heaven, but they must repent, that is to turn away from their sins, and believe in His Beloved Son, Jesus, who died on the cross, was buried, then rose again on the third day.

If you believe this Gospel in your heart and confess Jesus Christ with your tongue, then you will be saved. That's all the thief on the cross needed to do: he recognized that the man on the

cross next to him, being crucified in agony as well, was who He claimed to be: Jesus Christ, the Son of Man who was also the Son of God. Jesus was God incarnate. God in the flesh. God who came to Earth to walk among His people. His creation. Jesus is the one and only God-man. Divine immortal wearing a mortal costume for a short while. Jesus is perfectly God and perfectly man. He was the perfect Lamb of God and the only possible sacrifice to redeem mankind unto the Father. But the Jews rejected Him; their King, their Messiah. They had Him killed.

Jesus warned His people and Disciples of a coming day when one would come who was a False Messiah and he the

people would believe. They would be deceived and follow this Antichrist, this false man of peace who would appear so charming, brilliant, persuasive, and able to fix many of the problems in the world. Then, during the Great Tribulation, just after the mid-point when the Antichrist enters the Holy of Holies in the Third Temple of Jerusalem, he will claim that he is god, himself, and that the whole world must worship him. The False Prophet will also claim that the Beast is god and must be worshiped. In fact, the False Prophet will demand that all who worship the Beast must take a mark on their forehead or on their right hand, if they want to buy and sell. If you do not take the Mark of the Beast, then you will not be able

to trade or do business. Plus, the Antichrist's supporters and armies will hunt down all those who reject him, and kill them. Those who refuse to take the Mark of the Beast will, usually, be beheaded. There will be much slaughter and chaos, during this last half of the Great Tribulation, as the Antichrist hunts down these martyrs for Christ who have rejected the Mark of the Beast.

Study the Bible and the Books of Daniel and Revelation to better understand these End Times prophecies and what to expect. If you believe in Jesus, then you will be taken at the Rapture of the church, so you will not endure the Great Tribulation, but having this knowledge

allows you to warn others who are lost, now, and will be left behind after the Rapture of the church. Many who profess to believe in Christ do not believe in a Pre-Tribulation Rapture as I do. I am not interested in debating this. I've studied it for many years under the instruction of very qualified Bible scholars, ancient language experts, pastors, and teachers. There are many millions who believe in a Pre-Trib Rapture and an actual 1,000 year reign of Jesus Christ on the Earth after the Great Tribulation ends. I am in that group of believers. Regardless, we shouldn't argue about these things and be divisive. It is a secondary issue. First, and foremost is the Gospel of Jesus Christ. You must believe in Jesus to be saved! Nothing

else is as important as this.

There are many important things, of course, and we should be aware of them. The most important is having your heart right with Jesus. Do that, first. Seek, first, the Kingdom of Heaven, then ask and you shall receive, if it is in accordance with His will. Seek and you shall find. Ask and you shall receive. Knock and it shall be opened to you. Again, if it is in the Father's will. We pray to the Father, through the Son, Jesus. And when we do not have the words, the Holy Spirit who dwells within us will make our heartfelt groans heard by the Father, as well. God's got your back. God's got you covered. God will never fail you. His will is sovereign and He will

do all He pleases, which is good. God works all things, together, for our good. We may not see it. We may not feel it. We may not understand it. But He does. God sees it all from His perspective and there is nothing that can escape Him or be hidden from Him.

Other than obeying the will of the Father, above, and loving Him with all of our hearts, minds, souls, and strength, we are to love our neighbors as ourselves. Love covers a multitude of sins. This does not mean you may sin and God's love will allow it. No, it means that if you love your neighbor, your family, and all whom you encounter, including the complete stranger, and you treat them as God

would with His deep abiding love, then you will be far more empathetic, sympathetic, and understanding about others and not so quick to rush to judgment. Remember to remove the log from your eye before you point out the speck of sawdust in your brother's eye. Love one another!

My last point is this and it deserves a much longer focus, maybe an entire episode. Someday, perhaps, but I'll be as brief as possible, for time is running out...for this episode, anyway.

Why do I support Israel? I'm speaking directly to you, now, Israel. To the nation, the IDF, and to all souls around the world who love Israel are a devoted Zionist like me. I've been

told to leave America and go to Israel if I love it so much. Antisemitism is rising and many Jews will return to their homeland, making aliyah, and go over to be with those who will love and protect them.

Well, I'm 65 with health issues that make me far less than ideal for frontline duty. If not for family obligations, here in West Virginia, I would gladly go help fight for Israel against all of her enemies including the many traitors in our Washington D.C. Swamp. I need to remain at home, though, for we may have civil war, here. God only knows.

I am not Jewish by birth, but by heart. I love the Jewish people, their history,

and innumerable contributions to the world in science, technology, medicine, agriculture, the arts, culture, and most importantly...in my understanding of who God is due to their ancestor's faithful and accurate writings, keeping, and protecting of The Book, which is my guide for life. My Holy Bible.

Please know that there are many millions of like-minded souls in the USA, alone, who love and support Israel, its people, its history, and its God-given right to defend itself from any and all attacks by those who seek its utter destruction and genocide.

We do not support the vile, demonic despotism of America's corrupt

political leaders, elites, and corporate entities who seek to control and divide us while raping the world so they can play King of the Earth. Please stop waiting for Biden-Harris-Walz, or even Trump to give you permission to do whatever it takes to protect your people, your infrastructure, your culture and way of life, and your sanctity and sanity in the face of the neverending onslaught of demonic forces Hell-bent on annihilating all of Israel.

Just go do it. We love you, we ache for you, we pray for you, we support you, and we would die for you, but we may need to give our lives, here in America, to keep it free so she can continue to be supportive of Israel.

There are many imperfect people in Israel and in the USA. All of us do not agree on every detail in every moment, but we do agree that every country has the right to defend itself against ALL enemies, Foreign & Domestic, and no country should have the right to veto whatever you need to do to survive.

So, just go do it. To Hell with Washington D.C., the E.U., and the U.N. They're not living in underground bunkers and having missiles and rockets rain down upon their children, day and night, for a YEAR! Do not wait for American elections to be stolen, again, or constant lawfare to hinder #47 when he takes office as he should have done

in 2020.

Here's my prediction: Trump-Vance win, of course, in a tsunami-sized MAGA Red Wave of unprecedented proportions that even Satan can't steal. Why? Because He who is in us is far bigger and greater and more powerful than he who is in the world.

#47 will rebuild America, its military, and its unwavering commitment and support of Israel. But please hear this: it may only be a short window of opportunity for Israel to take advantage of the true Christian love in the hearts of most Patriots. America is doomed and God's judgment will fall upon her, eventually. If Trump wins, as I believe, then this is but a short

reprieve by God for the sole purpose of helping Israel.

In the very near future (1-4 years), Israel will destroy all its close enemies (in country and on its borders) to include all Iranian proxies. You will feel great pain, but you will succeed and thrive by the hand of God. You will take back all territory lost to U.N. meddling. Your borders will expand to provide adequate buffers for your citizens' safety except for long range weapons, but your anti-missile capabilities will improve.

All nations will turn against you. You will not know the love and support from America at that near future time and going forward. Use the next very

few years to ensure that Israel has all the weapons technology and manufacturing to go it alone. It is suicidal to rely upon ANYONE but God. America is lost. Plan and act accordingly.

Damascus will be flattened into rubble and be uninhabitable. Iran will be hit hard in its Southern mountain ranges where many deep underground nuclear weapons, labs, and strategic storage facilities are located.

I believe that whoever is responsible for this illegal, treasonous, demonic travesty of justice, and allowed or supported ANY & ALL unwelcome immigration via these Communist Open Border policies, should be

DEPORTED, as well, or sent to GITMO for being the enemy combatants and domestic terrorists that they are!

Let's send all of these knuckleheads to China since they love Communism so much. Or Venezuela, for those who prefer Socialism.

Now, for you brainless, extremist libtards and wrynose that, simply, can't process logic, common sense, Rule of Law, and our Constitutional Republic's rights to life, liberty, Free Speech, and Bearing Arms, then PLEASE leave the USA, immediately, since you always whine, whimper, and bloviate about doing so every time you fear Trump might win. Just go!

This isn't a threat. It's a promise. As a Follower of Jesus Christ, I love your soul, and I forgive you. Seriously. I just consider the source: Satan. You are deceived and know not what you do. You love the darkness and hate the light. Got it.

I am commanded, nowhere in God's Holy Word, to tolerate an evil person or government that's trying to take advantage of me or kill me. Come over, here, Unbeliever. Jesus said to share the Good News, so he that hath ears, let him hear.

Help me, Lord! I am so sick and tired of turning my tear-stained cheeks and watching America be mugged, molested, raped, pillaged, and

plundered by such depraved, demonic Deep State despots within our own government. Those who abuse children and traffic in human flesh. Demons walk the earth, lawlessness increases, and the love of man grows cold, just as You foretold.

The demons in high places, like Washington, are not sleeping, but incessantly plotting, planning, and implementing all their depraved, wicked, and Satanic attempts to overthrow our REPUBLIC (it is NOT a Democracy)! In your name, Lord, this is going to get them a quick, very real, face-to-face meeting with Jesus, if they don't - FULL STOP - pack up and exit our country they HATE so much.

DJT WILL BE #47. Either get over it, now, or move out, peacefully. Otherwise, you Marxist Morons, Socialist Sissies, and Communist Cowards are going to find yourself staring down the wrong end of more firepower, real Men Power, and the One and Only TRUE GOD Power that the world has seen since WWI & WWII combined. America. LOVE IT or LEAVE IT!!!

And don't let the screen door hitcha where the Good Lord splitcha!
